ENCLOSURE.

Subject.

Submits that the stores of this office
are ready for verification.

For orders. From the report in
go. No. 851 of 10.11.94, it wd.
seem that all that has to be
done is to compare the articles
in stock with a list which the
Supt. prepares - his ledger
balance. It is a question whether
a practical printer is necessary
for this. It is believed Mr. W.
Taylor is not now in Madras.
There is a European printer
in Messrs Vest & Co. - a Mr. Bishop
who wd. no doubt take stock
correctly. P.S. C. 342 since
3.8.13. recd. is subd. Mr
20.9.5. Taylor is in Madras

I think that a practical printer
is required and one who has
knowledge of running a large
press is necessary for this
job. Mr. Taylor is I believe
quite competent: he has done
the work before. 24/9/95
