**Proposed Rules for the Executive Committee of the Jugga Rao
Observatory at Vizagapatam.**

1. The Executive Committee shall meet once a month (or oftener if necessary) in the premises attached to the Observatory to pass the accounts for the previous month and give orders in respect of any matter connected with the ordinary administration and work of the Observatory.
2. The Astronomer will act as Secretary to the Committee and will record and keep the minutes of the meetings of the Executive Committee.
3. The subordinate establishment shall be appointed (and when necessary dismissed) by the Executive Committee. It shall be under the control of the Astronomer; and if any member of it fails in his duty he may be suspended by that officer until the next meeting of the Executive Committee, when he will report the circumstances for the orders of the Committee.
4. A copy of the minutes of each monthly meeting shall be circulated for the information of the members of the General Committee not present at the meeting.
5. The year for financial, as well as other purposes, will run from the 1st January to 31st December.
6. The Executive Committee will be strictly limited in its powers of expenditure by the sanctioned budget for the year. No expenditure, not therein provided for, can be incurred without the previous approval of all the members of the General Committee.
7. The Executive Committee will maintain detailed accounts as follows :—
 - (1) A cash book of receipts and payments with serial numbers of vouchers.
 - (2) A receipt book for pay of establishment.
 - (3) A book for monthly balance sheets of receipts and expenditure.
8. The interest of the endowment will be paid into an Observatory ledger account, to be maintained by the Vizagapatam Treasury in the name of the Chairman of the Executive Committee.
9. All payments for establishment, contingent and other expenditure, will be paid by cheques signed by the Chairman of the Executive Committee.
10. The Chairman of the Executive Committee, at its monthly meeting, or, in his unavoidable absence, the two other members jointly shall check and sign the monthly balance and cancel the vouchers for all payments entered in it.
11. The Executive Committee shall, in the month of January, hold a special meeting in order to prepare—
 - (1) A budget estimate for the current year which should be circulated to the members of the General Committee three weeks before their annual meeting.
 - (2) An abstract of the accounts of the past year with a balance sheet to be laid before the annual meeting.
12. An inspection book should be maintained, in which the Committees will enter such remarks or orders as they may think proper for the guidance of the Astronomer.
13. The Secretary shall, at each monthly meeting, place before the Executive Committee all correspondence regarding minor details of the working

of the Observatory which may have passed since the last meeting between himself as the Astronomer, and the Meteorological Reporter to the Government of India or the Government Astronomer, Madras, and which has not been circulated and approved by the General Committee.

Proposed Rules for the General Committee.

1. The Meteorological Reporter to the Government of India will be the Secretary to the General Committee.
2. The meeting of the General Committee shall be held in the beginning of the year usually in February on a date to be fixed from year to year by the Chairman in correspondence with the members.
3. Any alterations in the details of the work, which the Astronomer may propose to introduce and which do not conflict with the general lines laid down by the General Committee, must, before adoption, be approved in the case of the meteorological work by the Meteorological Reporter to the Government of India, and of the astronomical and time ball work by the Government Astronomer, Madras, and these two members will be entitled to suggest such alterations as above as may from time to time seem advisable to them.
4. Any proposal which it may be found necessary to make for any such alterations in the work as involve a departure from the lines laid down by the General Committee must be approved as in rule 3, and must be circulated by the Secretary to all the members and receive the approval of a majority of two-thirds of them before it is adopted. Any such proposal must be accompanied by a full statement of the reasons why its consideration cannot be postponed until the next meeting of the General Committee.
5. The Committee will appoint, subject to the sanction of the Government of India, the officer designated as the Astronomer.
6. The General Committee shall make a thorough inspection of the Observatory once a year and prepare a report on the condition and progress of the work during the year for submission to the Government of India through the Government of Madras.
7. At its annual meeting the Committee—
 - (1) Shall consider and decide on the budget for the current year.
 - (2) Shall consider the report of the Astronomer on the working of the Observatory during the past year and decide on the lines of the report to be submitted to the Government of India. The report will be drawn up by the Meteorological Reporter to the Government of India and Government Astronomer, Madras, and will be circulated by the Secretary to the other members for approval and signature.
8. The annual report shall include information on the following points :—
 - (a) Lines on which work has been carried out during the year.
 - (b) Work done during the year.
 - (c) Alterations made or proposed in the general working of the Observatory.
 - (d) Income and expenditure of past year.
 - (e) Budget of current year.

Proposed Rules for the Executive Committee of the Jugga Rao Observatory at Vizagapatam.

1. The Executive Committee shall meet once a month (or oftener if necessary) in the premises attached to the Observatory to pass the accounts for the previous month and give orders in respect of any matter connected with the ordinary administration and work of the Observatory.
2. The Astronomer will act as Secretary to the Committee and will record and keep the minutes of the meetings of the Executive Committee.
3. The subordinate establishment shall be appointed (and when necessary dismissed) by the Executive Committee. It shall be under the control of the Astronomer; and if any member of it fails in his duty he may be suspended by that officer until the next meeting of the Executive Committee, when he will report the circumstances for the orders of the Committee.
4. A copy of the minutes of each monthly meeting shall be circulated for the information of the members of the General Committee not present at the meeting.
5. The year for financial, as well as other purposes, will run from the 1st January to 31st December.
6. The Executive Committee will be strictly limited in its powers of expenditure by the sanctioned budget for the year. No expenditure, not therein provided for, can be incurred without the previous approval of all the members of the General Committee.
7. The Executive Committee will maintain detailed accounts as follows :—
 - (1) A cash book of receipts and payments with serial numbers of vouchers.
 - (2) A receipt book for pay of establishment.
 - (3) A book for monthly balance sheets of receipts and expenditure.
8. The interest of the endowment will be paid into an Observatory ledger account, to be maintained by the Vizagapatam Treasury in the name of the Chairman of the Executive Committee.
9. All payments for establishment, contingent and other expenditure, will be paid by cheques signed by the Chairman of the Executive Committee.
10. The Chairman of the Executive Committee, at its monthly meeting, or, in his unavoidable absence, the two other members jointly shall check and sign the monthly balance and cancel the vouchers for all payments entered in it.
11. The Executive Committee shall, in the month of January, hold a special meeting in order to prepare—
 - (1) A budget estimate for the current year which should be circulated to the members of the General Committee three weeks before their annual meeting.
 - (2) An abstract of the accounts of the past year with a balance sheet to be laid before the annual meeting.
12. An inspection book should be maintained, in which the Committees will enter such remarks or orders as they may think proper for the guidance of the Astronomer.
13. The Secretary shall, at each monthly meeting, place before the Executive Committee all correspondence regarding minor details of the working

of the Observatory which may have passed since the last meeting between himself as the Astronomer, and the Meteorological Reporter to the Government of India or the Government Astronomer, Madras, and which has not been circulated and approved by the General Committee.

Proposed Rules for the General Committee.

1. The Meteorological Reporter to the Government of India will be the Secretary to the General Committee.

2. The meeting of the General Committee shall be held in the beginning of the year usually in February on a date to be fixed from year to year by the Chairman in correspondence with the members.

3. Any alterations in the details of the work, which the Astronomer may propose to introduce and which do not conflict with the general lines laid down by the General Committee, must, before adoption, be approved in the case of the meteorological work by the Meteorological Reporter to the Government of India, and of the astronomical and time ball work by the Government Astronomer, Madras, and these two members will be entitled to suggest such alterations as above as may from time to time seem advisable to them.

4. Any proposal which it may be found necessary to make for any such alterations in the work as involve a departure from the lines laid down by the General Committee must be approved as in rule 3, and must be circulated by the Secretary to all the members and receive the approval of a majority of two-thirds of them before it is adopted. Any such proposal must be accompanied by a full statement of the reasons why its consideration cannot be postponed until the next meeting of the General Committee.

5. The Committee will appoint, subject to the sanction of the Government of India, the officer designated as the Astronomer.

6. The General Committee shall make a thorough inspection of the Observatory once a year and prepare a report on the condition and progress of the work during the year for submission to the Government of India through the Government of Madras.

7. At its annual meeting the Committee—

(1) Shall consider and decide on the budget for the current year.

(2) Shall consider the report of the Astronomer on the working of the Observatory during the past year and decide on the lines of the report to be submitted to the Government of India. The report will be drawn up by the Meteorological Reporter to the Government of India and Government Astronomer, Madras, and will be circulated by the Secretary to the other members for approval and signature.

8. The annual report shall include information on the following points:—

(a) Lines on which work has been carried out during the year.

(b) Work done during the year.

(c) Alterations made or proposed in the general working of the Observatory.

(d) Income and expenditure of past year.

(e) Budget of current year.

Proposed Rules for the Executive Committee of the Jugga Rao Observatory at Vizagapatam.

1. The Executive Committee shall meet once a month (or oftener if necessary) in the premises attached to the Observatory to pass the accounts for the previous month and give orders in respect of any matter connected with the ordinary administration and work of the Observatory.

2. The Astronomer will act as Secretary to the Committee and will record and keep the minutes of the meetings of the Executive Committee.

3. The subordinate establishment shall be appointed (and when necessary dismissed) by the Executive Committee. It shall be under the control of the Astronomer; and if any member of it fails in his duty he may be suspended by that officer until the next meeting of the Executive Committee, when he will report the circumstances for the orders of the Committee.

and Agriculture.

(Meteorology)

SIR,

Simla, 13 SEP 1895

CHIEF SECRETARY
GOVERNMENT OF MADRAS

With reference to the correspondence ending with your letter No. 639 (Public Department) dated the 30th July 1895, I am directed to forward a copy of draft rules framed by the Government of India for the management of the Juggarao Observatory at Vizagapatam and to ask that the Government of India may be favoured with any suggestions or criticism which may commend themselves to the Governor in Council.

2. It will be perceived that under the draft rules the Annual Report on the working of the observatory will be submitted to the Government of India through the Madras Government. Although that Government did not accept the trust of the Observatory when offered to them some years ago by the late Mr. A. V. Juggarao yet the Government of India hope that His Excellency in Council will consent to give them the benefit of his assistance and advice in the management of an institution situated

in the Madras presidency.

I have the honour to be,

Sir,

Your most obedient servant,

Wm. A. A. A.

Offg: Secretary.

No. 182

FROM

THE GOVERNMENT ASTRONOMER,
Madras.

TO

The Honble Mr. J. F. P. P.
Chief Secretary to Government.

SIR,

With reference to the papers herewith returned, relating to the Jugga Rao Observatory at Vizagapatam, I have the honor to state that I approve of the rules proposed for the Executive and General Committees. I may further remark that a copy of these rules was submitted to me, as member of the General Committee for the time being, for remarks a short time ago by the Meteorological Reporter to the Government of India, and as they seemed suitable, I wrote signifying my approval of the same.

I have the honor to be,

Sir,

Your Most Obedient Servant

R. H. Jones

Ag. Govt. Astronomer.
