SURGEON MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.

OFFICE OF
WITH THE GOVERNMENT OF MADRAS,
Madras, 4th October 1895

To

THE Honorable the Chief Secretary to Government,
Public Department
Madras,

SIR,

I have the honor to report that the fact was brought to my notice that owing to the amount of work, the Steward had to do in the Government Lying-in Hospital, — he had been in the habit of employing a private individual to assist him. As this was contrary to the orders of Government, as expressed in G.O. No: 971, Public, dated the 30th November 1893, I communicated that order to the Superintendent and called on him to report if the services of this clerk were absolutely necessary.

2. He informs me that when the storage system of dieting, according to G.O. No: 402, Public, dated the 22nd May 1891 was introduced, a small temporary establishment was entertained to meet the increased work; since then the work in the Steward's Department has increased a good deal.

and the establishment remains the same. So much so is this the case that though the present Steward is a thoroughly efficient man, he has for some time past obtained private assistance in making some of the many diet calculations, which have to be constantly freshly made. The Special Diet Committee have recommended an increase of establishment and have proposed an Assistant Storkeeper, but the Superintendent is of opinion that it would be better to have an Assistant Steward on Rupees forty a month, to increase slightly the pay of the storkeeper from Rupees 20 to Rupees 25 a month and to give the Steward's department an attendant on Rupees seven a month.

3. It must be remembered that these men have all to work on Sundays and holidays and occasionally by day and night according to the work of the hospital.

4. I have gone fully into the details of these men's duties with the Superintendent and I am of opinion that if the Steward's and Storkeeper's departments of the hospital are to be placed on an efficient working basis, that his proposals are the best.

best way to meet the case.

5. If Government will sanction them, I will call on him to submit the necessary proposition statement.

I have the honor to be
