SIR,

I am directed by the Earl of Kimberley to transmit to you, herewith, a copy of a letter from Monsieur Vallarino Carcassone, requesting to be furnished with information in regard to a person named Vallarino, recently heard of at Bombay, where he is said to be employed in certain mining operations.

The applicant is anxious to establish the identity of this individual with his father, who has not been heard of since he left the United States, where he was engaged in business.

I am to request that you will move Mr. Secretary Fowler to cause such enquiries to be made as may be feasible.

YOUR EXCELLENCY,

6 PLACE DESPRES,
Perpignan,
The 8th May 1895.

I appeal to your benevolence in order to lay before you the following facts.
In 1853 my father M. Antoine Villarino after the reverses of his fortune left Perpignan and proceeded to New Orleans abandoning his wife and five children of tender age, where he lived for some years; from there he went to New York where the French Consul of that city many times gave us information about him, and, amongst other things, informed us that he was employed as a manager in some commercial firm. For about 27 years we have received no news about him.
A few months ago it was brought to our notice that one M. Vallarino was living at Bombay, the British possession of Hindustan, and was employed in the exploration of a mine. The family is very anxious to know if M. Vallarino of Bombay is the same who lived at New Orleans and at New York, and would be happy to find again its head who had so long disappeared and to place itself in communication with him.

I would be very much obliged to you, your Excellency, if you would be kind enough to lend your valuable help to the British Consul at Bombay in order to institute enquiries tending to obtain the verification of the identity of Mr. Vallarino, who lives in your colony.

S.E. the Minister of }
Foreign Office at London. }

I pray, &c.,
(Signed) VALLARINO CARCASSONE.
