From the Directors of the Monegar Choultry, to the Chief Secretary to Government, dated Madras, 26th September 1895.

We have the honour to submit the annual report and accounts connected with the Monegar Choultry, the Native Infirmary, the Foundling Asylum, Rajah Sir Savalai Ramasamy Mudaliar's Lying-in Hospital, and the Rajah of Venkatagiri's Choultry, for the year 1894.

2. The receipts from all sources, excluding those of the Rajah of Venkatagiri's Choultry, amounted to Rs. 18,328–12–0, or Rs. 2,897–13–6 less than in the previous year. Rs. 10,637 were contributed by Government, Rs. 6,696–3–1 were realized from invested funds, and Rs. 985 from private subscriptions and donations, as shown below :—

4. There was a slight decrease in the number of paupers fed in the Depôt Choultry, and a large falling off in the numbers in the Native Infirmary. The daily average number relieved was 70·13 and 93·50, against 73 and 105·29, respectively, in the previous year. The average cost of feeding each pauper, a day, in the Depôt Choultry, was As. 1–8¼, and in the Infirmary As. 2–11½, against As. 1–9¾ and As. 2–9[illegible]. The reduction in the former is due to fall in the price of rice, and the increase in the latter is due to extra diets prescribed by the Surgeon.

6. *Rajah Sir Savalai Ramasamy* [redacted] number of women admitted for accouchement in this hospital during the year was 751, or 105 less than in 1893. The cost of dieting was Rs. 1,340–9–7, against Rs. 1,371–5–10, or on an average of Rs. 1–12–6$\frac{3}{4}$ per head, against Rs. 1–9–7. The batta granted to poor women before confinement amounted to Rs. 245–11–6 against Rs. 323–1–0, or Rs. 77–5–6 less than in the previous year.

7. *Rajah of Venkatagiri's Choultry.*—The accounts of this charity are kept separately. Including the balance on hand (Rs. 2,659–7–3), the receipts during the year amounted to Rs. 5,608–10–5, and the expenditure to Rs. 4,303–5–9. The daily average number of in-door paupers fed in this choultry was 47·20, while the number of out-door paupers who receive one-fourth measure of rice a day was 106·38. The corresponding figures for the previous year were 39 and 105. The average cost of relieving each pauper was As. 1–8$\frac{1}{4}$ a day, against As. 1–9$\frac{3}{4}$ in the previous year.

8. The Directors regret to note that, in spite of their best efforts, the collections this year on account of subscriptions are far below the mark.

9. The Directors regret to record the death of M.R.Ry. P. Vijiarangam Mudaliar Avargal, one of the oldest and a most zealous member of the Direction.

10. Thanks are due to Rajah Sir Savalai Ramasamy Mudaliar, *Kt.*, C.I.E., who, as usual, audited the monthly and annual accounts of the institution.

ORDER—No. 902, Public, dated 1st November 1895.

This decrease was due to a considerable falling off under the following heads:—

5. It is with great regret that the Government notices the death of M.R.Ry. P. Vijiarangam Mudaliar Avergal, who is said to have been one of the oldest and most zealous members of the Direction.

6. The Government trusts that the efforts of the Directors to obtain subscriptions will meet with better success in the current than it had in the past year. Otherwise, it would seem obvious that the charities cannot be maintained on their present scale.

4. There was a slight decrease in the number of paupers fed in the Depôt Choultry, and a large falling off in the numbers in the Native Infirmary. The daily average number relieved was 70·13 and 93·50, against 73 and 105·29, respectively, in the previous year. The average cost of feeding each pauper, a day, in the Depôt Choultry, was 1 as 8/4 p,

and

and in the Infirmary 2as 1½ P, against 1a. 9¾ P. and 2a. 9½ p. The reduction in the former is due to fall in the price of rice, and the increase in the latter is due extra diets prescribed by the Surgeon.

5. In the Asylum for Foundlings, the daily average number of Children relieved was 4·50, against 4·17 in the previous year. There was a corresponding decrease in the cost per head from 11 p to 10·39 p per diem.

Rajah Sir Savalai Ramasamy Mudalyar's Lying-in Hospital.

6. The total number of women admitted for accouchment in this hospital, during the year, was 751, or 105 less than in 1893. The cost of dieting was Rupees 1340-9-7, against Rs: 1871-5-10, or on an average of Rs: 1.12.6¾ per head, against 1-9-7. The batta granted to poor women before confinement amounted to Rupees 245-11-6 against 323-1-0, or 77.5.6 less than the previous year.

Rajah of Venkatagherri's Choultry

7. The accounts of this charity are kept separately. Including the balance on hand (Rs: 2,659. 7. 3), the receipts during the year amounted to Rupees 5,608-10-6, and the expenditure to Rupees 4,303-5-9. The daily average number of in-door paupers fed in this Choultry was 47·20, while the number of out-door paupers who receive one fourth a measure of rice a day was 106·38. The corresponding figures for the previous year were 39 and 105. The average cost of relieving each pauper was 1a 8¼ p a day, against 1a 9¼ p in the previous year.

8. The Directors regret to note that, in spite of their best efforts, the collections this year on account of Subscriptions are far below the mark.

9. The Directors regret to record the death of M.R.Ry: P. Vijyarangam Mudalyar avergul, one of the oldest and a most zealous member of the direction.

J. Note
It is perhaps not necessary to say more at present. But seeing that Govt. pay much more than half the money expended by this ostensibly private charity, it seems questionable whether the scale of operations should be reduced. The matter may however stand over until the Comm.ee sitting on Black Town Dispensary & Native Infirmary [illegible] their reports. It will then be necessary to consider the whole position of these charities —

6. ~~It is to be hoped~~ The Govt. trusts that Efforts of the Directors to obtain subscriptions will meet with better success in the current year than in the last year — Otherwise, it would seem as various of the charities cannot be maintained in their ~~present~~ scale.

4. There was a slight decrease in the number of paupers fed in the Depôt Choultry, and a large falling off in the numbers in the Native Infirmary. The daily average number relieved was 70·13 and 9[illegible]·50, against 73 and 105·29, respectively, in the previous year. The average cost of feeding each pauper, a day, in the Depôt Choultry, was As. 1–8¼, and in the Infirmary As. 2–11½, against As. 1–9¾ and As. 2–9½. The reduction in the former is due to fall in the price of rice, and the increase in the latter is due to extra diets prescribed by the Surgeon.

5. In the Asylum for Foundlings, the daily average number of children relieved was 4·50, against 4·17 in the previous year. There was a corresponding decrease in the cost per head from Pies [illegible] to Pies 10·39 per diem.

6. *Rajah Sir Savalai Ramasamy Mudaliyar's Lying-in Hospital.*—The total number of women admitted for accouchement in this hospital during the year was 751, or 105 less than in 1893. The cost of dieting was Rs. 1,340–9–7, against Rs. 1,371–5–10, or on an average of Rs. 1–12–6¾ per head, against Rs. 1–9–7. The batta granted to poor women before confinement amounted to Rs. 245–11–6 against Rs. 323–1–0, or Rs. 77–5–6 less than in the previous year.

7. *Rajah of Venkatagiri's Choultry.*—The accounts of this charity are kept separately. Including the balance on hand (Rs. 2,659–7–3), the receipts during the year amounted to Rs. 5,608–10–5, and the expenditure to Rs. 4,303–5–9. The daily average number of in-door paupers fed in this choultry was 47·20, while the number of out-door paupers who receive one-fourth measure of rice a day was 106·38. The corresponding figures for the previous year were 39 and 105. The average cost of relieving each pauper was As. 1–8¼ a day, against As. 1–9¾ in the previous year.

8. The Directors regret to note that, in spite of their best efforts, the collections this year on account of subscriptions are far below the mark.

9. The Directors regret to record the death of M.R.Ry. P. Vyjyarangam Mudaliyar Avargal, one of the oldest and a most zealous member of the Direction.

10. Thanks are due to Rajah Sir Savalai Ramasamy Mudaliyar, *Kt.*, C.I.E., who, as usual, audited the monthly and annual accounts of the institution.
