Simla, the 20th September 1895.

Sir,

I am directed to state that the Commissioner of Burma has recently recommended a proposal that non-Burman Hospital Assistants trained in the Madras Medical College for service in Burma should be placed on the same footing as the students under training for the Madras Medical Service in the matter of the date from which they should be entitled to pay as Hospital Assistants.

2. It has been represented to the Government of India that students for the Madras Medical Service receive pay as Hospital Assistants from the date on which they pass out of the Madras Medical College. I am to request that, with ^{the} permission of His Excellency the Governor in Council, the Government of India may be furnished with a copy of the proceedings of the Government of Madras sanctioning this concession.

I have the honour to be,

Sir,

Your most obedient servant,
