OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, *22 November* 1895.

No. *485*

Encl.

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.J.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE HONOURABLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to G.O. No. 759, Public, dated the 9th September 1895 - as already reported, the transfer of the Women & Children to the General Hospital was carried out on the 27th September.

2. With reference to paragraph one of the G.O., the order alluded to was never acted upon and was issued as there was some difficulty about arranging for Honorary Surgeon Captain White, the Military Assistant Surgeon in question - retained to complete the necessary Annual Report and return for the hospital up to the date it was closed.

The orders in G.O. No. 458³, Public, dated the 8th June were acted up by the employment of temporary Civil Assistant Surgeon Newland on the 15th August 1895. He was for a time attached to the General Hospital and on the final transfer of the female patients to the

Certainly not

General Hospital, he took up his appointment in the Second District and Honorary Surgeon Captain White was attached temporarily to the General Hospital. On completion of the Annual Report and returns and the transfer of records to the General Hospital, he proceeded to take up his appointment at Chicacole to which I had posted him on the 15th August 1895.

3. The only members of the Staff of the Women and Children's Hospital, whose services have not been utilized in the General Hospital, are the Matron and the Nurse. Both of them were above 55 years of age, both were unwilling to serve in the General Hospital and the so-called Nurse who was untrained and uneducated was quite unfit to do so. In both these cases, I refused to allow them an extension of service having personally ascertained that this was in accordance with their wishes.

4. With reference to paragraph 2 of the G. O., I regret the error was not detected in my office. The Senior Medical Officer says "As there are 18 permanent nurses, it was taken for granted that these alone are referred to in the G. O."

5. With reference to paragraph 3, the designations should have been corrected in my office, the Senior Medical Officer says he used them in order to prevent confusion. The Senior Assistant Surgeon has been dealt with as explained in

in paragraph 1 of this letter.

6. With reference to paragraph 4, I am submitting the required information in a separate communication.

7. With reference to paragraph 7, concerning the extra maty paragraph 21 of G. O. No. 439, Public, dated the 31st May 1895 was overlooked in both the office of the Senior Medical Officer and in mine - He has been struck out.

8. With reference to paragraph 8, the term "Purveyor" has been changed to "Attendant."

I have the honor to be,

Sir,

Your most obedient Servant,

C. Sutherland

Surgeon-Major-Genl.

Surgn.-Genl. with the Govt. of Madras.
