I have the honour to request that the Surgeon General will be good enough to move Government to kindly reconsider their order dated 17th August 1895, N^o 691, in which I have been granted furlough for one month on sick Certificate in lieu of privilege leave for which I was eligible.

2. I have already explained my case to His Excellency the Governor in person at an interview graciously conceded to me yesterday, and it is with his sanction that I forward this application.

2. The decision in P.O. No. 691 public date the 17 August 1895 has a very prejudicial effect as regards the pay for the period and the prospects of leave of Absence Surgeon Lieut Colonel Price.

3. Considering that the circumstances which necessitated his applying for leave were due to his hard work both in the hospital and the college, I trust that the Government will be pleased to reconsider their decision.

Surgeon Lieut. Col. Price prays for a reconsideration of G.O. No. 691 17.8.95, granting him one month's furlough in lieu of p.l. for which he was eligible.

It seems to me that it was irregular for Surg. Lieut. Col. Price to allude to his interview with H.E. the Govt. — FOR ORDERS. What he said to H.E. has not been said to Govt. so that there is nothing before us to go upon. I think he should be told to state his case & that it should be pointed out that it is not of order that comments which have passed verbally or d.o. between officers & H.E. should be brought into public view. I feel sure that to sanction such a course will be found to lead to inconvenience.

W

15/11/95

Doctor Price should state his case in full, or simply ask Govt. to reconsider on the facts already before it.

W

16/11/95

Yes - he had no business to refer to me. What may have passed between him and me was private.
