Note.

In accordance with the direction contained in the original of G.O. No. 1465, Public, dated 10th June 1895, a careful search has been made for papers relating to the appointments of Marriage Registrars in the Native States of Sandur and Travancore and a note and draft letter to India are sub^d for approval.

Para 2 of India's letter to the Govt of Bombay, No. 178, dated 16th May 1895, recorded in G.O. No. 1465, Public, dated the 10th June last, requires that all appointments made by this Govt. under section 8 of the Indian Xian Marriage Act XV of 1872, should be notified in the Gazette of India in obedience to the direction contained in the orig^l of the G.O. quoted above a careful search was made with a view to ascertain when and by whom the Marriage Registrars in the Native States of Sandur and Travancore mentioned at para 216 of the Civil List were appointed and whether their appointments were notified in the Gazette of India or not.

In explanation of the delay that has taken place in the submission of these papers I beg to state that soon after the original of the G.O. was received by me I wrote from Cochin to the Madras office for papers relating to the appointments in question. The papers received were not complete in the first instance, and I had to write again for further information. I got complete file only by the middle of September, but as I was then very much pressed with ^{current} work and it was thought that there was no particular urgency in the matter I did not attend to it immediately. At the time of the move of the office and for some time after that I had very heavy work

From G.O. No. 89, Pub, 2585-890 in the file it will be seen that the appointments of all the Marriage Registrars in Travancore were notified by the Govt of India at the beginning of 1890. A only Marriage Registrar in a Native State whose appointment has not been notified in the Gazette of India is Mr. J. of Sandur. It is therefore proposed to address the following letter to the Government of India.
