OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 22nd November 1895

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE Honorable the Chief Secretary to Government
Public Department.

SIR,

With reference to para 3 of
G.O. No: 932, Public, dated the 12th November
1895, I have the honor to request your attention
to paras 4 and 6 of the Resolution of the Government
of India, recorded in G.O. No: 1, Public, dated the
2nd January 1895, and to state that if the
four supernumerary officers allotted to this
Presidency are lent to this Department by
the Government of India, they are certain
to be constantly employed in either
acting appointments or in assisting
in the Clinical hospitals in Madras,
where they will gain much valuable
experience.

2.

I have reason to believe
that the Government of India contemplate
Local Governments having these junior
officers at their disposal, if they are
available

available, which will allow our dealing
at once with applications for leave.
3. I would prefer having the junior officers
from the Madras establishment, who have
applied for Civil employment; viz Surgeon
Captains Johnstone, Mitter, Macrae and
Gabbett; but I know that in the present
state of the Military establishment, the
Principal Medical Officer, Madras Command,
cannot spare them unless the Government
of India will lend him junior officers
from the Bengal establishment, until
such time in November 1896, as our
establishment will be up to its full
strength.

I have the honor to be,

Sir,

Your most obedient Servant,

C. J. M. M. M.

Surgeon-Major General B

Surgn.-Genl with the Govt. of Madras.

In order

In para 3 of G.O. N° 932
Pubd 12th Nov. 95 it was pointed
out to the Surgeon Genl that in
applying for the services
of four supernumerary
medl. officers he had
apparently misread the
Resolution of the Govt of India
recorded in G.O. N° 1 Pubd 2nd
Jan. 95, and his attention
was invited to para 2 of the
Resolution which explains
the circumstances in which
alone officers may be
retained as Supernumerary.

In reply, D. Sibthorpe
requests attention to paras
4 and 6 of the Resolution,
& then remarks that if the four
Supernumerary officers are
given they are certain to be
constantly employed and
will gain much valuable
~~experience~~ Experience!

In para 2 of ^{the current} (C 3952) the
Surgn. Genl states that
he has reason to believe
that India contemplates

local

local foots having these
 supernumerary officers
 at their disposal. The
 reason might conveniently
 have been explained demi-
 officially.

Orders are requested
 whether India may be
 asked with reference to
 its Resolution to give
 the services of the four
 officers named by the
 Surgeon Genl. It would be
 a distinct try-on, particularly
 as the S.G. gives such flimsy
 grounds; but apparently
 he is not satisfied with this
 Govt's reading of the Resolution.

S.D.B.
 26.11.5. I submit that it is not of the
 slightest use asking India
 for these officers: they probably
 intend these to be brought in
 force only when the sanctioned
 strength has been completed.
 If they intended otherwise why
 do they now press us for air
 officers for Burma?

Order No 987 d/2 Dec 95

The Govt does not
 agree in ^{construction} ^{but by} the Surgeon Genl's
 reading ^{on} of the Resolution
 of the Govt of India recorded
 in G.O. No. 1 Pub. d/2nd Jan. 95,
 and considers that it would
 be quite useless to ^{apply to} ^{the} Govt
 of ~~India~~ for the four
 supernumerary officers
 referred to.
