It is not worth 120/- per
annum. We could
keep an addl. person for
that who would be of
much more use.
It is proposed to tell
P.W.D. that a telephone
is not wanted and to
ask that the speaking
tube may be put in
as good order as
possible before Easter.

A telephone would be out of the
question - far too great a luxury
for these hard times. We must
make the best of what we
have got and if it helps use the
pines who are not killed with
work better at 10/- or less.

CHIEF SECRETARIAT,

Fort St. George,

OFFICE NOTE.

No 1940 of 5th October 1894.

From

THE CHIEF SECRETARY,

To

The Chief Engineer, P.W.D.

The undersigned has the honor to request that steps may be taken for improving the speaking-tube communication between the Chief Assistant's room and his office. The present system works very unsatisfactorily. If the communication can be improved it would be of considerable assistance and save both time and labor.
