GENERAL HOSPITAL, MADRAS,

To

The Secy. to the Surgeon General
With the Govt. of Madras
Nungambakkam.

SIR,

I have the honor to report for the information of the Surgeon General that in answer to an advertisement for a Head Steward required in this Hospital 54 applications were received:-

- 7 from Europeans
- 1 from Eurasian
- 31 from Natives and
- 15 applicants (Caste not stated by them)

2. Most of the Europeans have not qualified under the examination test. Others are unable to deposit the necessary Security, offering the Indian Guarantee Society's Security (which Government has refused to accept). This want of Educational qualification is unfortunate as in my opinion the Head Steward of a large Hospital like this ought to be either a European or the best class of Eurasian.

3. After careful consideration of the claims and qualifications of the various candidates I have formed the opinion that Conductor E. Bonner is most suited for the appointment.

To

The Honourable the Chief Secy. to Govt.
Public Department.

Submitted for the favourable consideration and sanction of Government.

2. From personal experience, I consider that a European is essentially necessary for the appointment of Head Steward of the General Hospital and I agree with the Senior Medical Officers that Conductor Bonner is eminently fit for the post.

3. As he has not, however, passed the requisite Educational Tests, I recommend that Government will be pleased to exempt him from the same.

4. Mr. Bonner being a European, his appointment to a post carrying a salary of upwards of Rs. 200 per mensem will require the sanction of the Government of India - Vide G.O. No. 101, Public, dated the 8th February 1895. Pending the receipt of such sanction, I request permission for his immediate appointment sub-protem for a term of six months probation, as his services are most urgently required.

4. Conductor E. Bonner is a Warrant Officer, aged 43 years, eligible for a pension, able and willing to deposit the necessary security of Rs 5000. He has very high class testimonials, and has had considerable experience in Charge of Stores and in the Supervision of a large Office. These are qualifications which eminently fit him for the post of Head Steward in this large Hospital. Unfortunately he has not passed the necessary educational tests and it will consequently be necessary to obtain the sanction of the Government of India to his permanent appointment. I therefore beg to request that the Surgeon-General will be good enough to apply for this sanction, and also for sanction to appoint him, in the meantime, sub-protem for a term of ^{six} ~~three~~ months probation.

I have the honor to be,

* The urgency of the case consists in the Rynd. Hospital being without a Head Steward. This is what S.G. refers to: he wants sanction soon: it will not take long for Const. Bonner to leave the Army.

The extreme urgency in this case is not apparent for Conductor Bonner is employed as an Asst Overseer at the Arsenal and must get his discharge from the Army before he can take up any civil appt even temporarily. The first question is - do I thus approve of the appt. If so will the H.M. in charge of the Educl dept sanction the Condr's exemption from the tests ordinarily required and is the H.M. in charge of the Public dept prepared to ask India to sanction the Conductor's appt on mor.

than Rs. 200 p.m. The selection is apparently a very good one and a good case could be put before India.

The file is subd. to H.E. the Governor as in a separate file H.E. Enquired what had been the result of the adv. for a H. Steward.

The question whether if exempted - Condr Bonner's appt. subprotem may be sanctioned in anticip.

tion of India's orders requires decision. ^{As regards the sanction} Please see article 581. E.S.R.

THE HON'BLE MR. J. GROSE, C.I.E. 2.

I should say so, if he is urgently wanted - I don't see that there is anyone to his appt. The Act quoted in App. 8 of the C.R. applies only to civil pensioning.

This fully answers my question - and disposes of the hon. Mr. Bliss' objections. As to the result of the adv. for a H. Steward. It certainly - in spite of its wording, has not deterred people from applying for the post.

ORDER No. 109 d/22 Jan 96

His The nomination of Conductor E. Bonner for the appointment of Head Steward of the General Hospital, on the event of his obtaining his discharge from the Army, as approved and the orders exempting him from the test necessary for employment in the Public Service will be as in the Educational Dept.

3. Sanction is accorded to Condr Bonner's immediate appointment subprotem on six months probation in anticipation of the approval of the Govt. of India, which will be required for.

LETTER No. 110 d/22 Jan 96

To The Secy: to the Govt. of India, Home Dept.

Sir,
I am directed to request that sanction may be accorded to the appointment of Condr E. Bonner, aged 45 years, of the Ordnance Dept. (who is about to sever his connection with the Army) as Head Steward of the General Hospital, Madras, ^{at Rs. 200 p.m.} ~~with a salary of Rs. 200 p.m.~~ per month. I am to say that the

vacancy was advertised and Condor: Bonner
has been selected ~~from within~~ out of 54
applicants. There are very strong reasons
why the appointment should be held by
European and it is considered that
Condor: Bonner's considerable experience
in charge of stores and in the
supervision of a large office will pecu-
liarly fit him for the post. The security
is Rs. 5,000, which he is prepared to deposit.
This Govt. is prepared to exempt him
from the requisite educational tests and
in view of the urgent need for the
vacancy being filled without further delay
has sanctioned Condor: Bonner's appoint-
ment sub proten for six months on pro-
bation pending the approval of the Govt.
of India, which I am directed to say
this Govt. hopes may be communicated
at an early date.
