PUBLIC DEPARTMENT.

READ—the following papers :—

Endorsement Mis. No. 1461, Revenue, dated 10th April 1896.

ABSTRACT.—Transferring Proceedings, Board of Revenue, submitting letter from the Conservator of Forests pointing out certain inaccuracies in Appendix A to G.O., No. 26, Public, dated 13th January 1894, regarding the issue of liveries to inferior servants of Government, and forwarding a revised list.

Endorsement R. No. 1743, Revenue, dated 7th September 1896.

ABSTRACT.—Transferring Board's Proceedings submitting a letter from the Collector of Nilgiris regarding the supply of warm clothing to peons in the Collectorate, and stating that the Board does not consider that the sum of Rs. 12 sanctioned for peons' liveries at hill stations was intended to include the cost of a cumby and water-proof coat.

ORDER—No. 1095, Public, dated 3rd October 1896.

The Government considers that, where turbans are not given, Rs. (10) ten should be sufficient for the suit of warm clothing supplied to the peons, attenders, &c., of the Nilgiri Collectorate. A good coat and pair of trousers can be obtained for that sum. Turbans will in future be supplied only to peons of the Secretariat and the Board of Revenue. The Board's recommendations regarding cumblies and great-coats are approved. Cumblies will accordingly be supplied biennially at a cost of Rs. (3) three each, and great-coats, to last five years, at Rs. 8-8-0 each.

2. The peons and masalchis attached to the offices of the Deputy Tahsildars at Kodaikānal and the Shevaroy's will also be granted cumblies and great-coats on the scale sanctioned above.

3. The price of the cumblies supplied to the peons of the Inspector-General of Registration will be reduced from Rs. 3-8-0 to Rs. 2-8-0, as they are required for only a few weeks occasionally. The supply will be triennial. In all other cases in which cumblies are supplied to establishments permanently employed at hill stations the price will be fixed at Rs. (3) three, and the period of wear at two years.

4. The Accountant-General will be requested to be so good as to have the attached revised list of clothing, supplied at the cost of Government, checked in his office, in view to its issue for future guidance. Copies of the list will also be furnished to departments concerned in view to any necessary corrections or additions being brought to notice.

Proceedings of the Board of Revenue

(Land Revenue),

Dated 26th March 1896,

No. 1458 Mis:

READ

the following letter from E. P. Robert Conservator of Forests, Central Circle, dated 17th January 1896 No. 1291:-

Adverting to appendix A printed in Board's Proceedings No. 439 dated 30th December 1895, I have the honor to point out that Government Order No. 1519 Revenue dated 5th December 1883 quoted therein as authority for supply of clothing to the persons of the Conservators' offices has now been superseded by Government order No. 486 Revenue dated 7th June 1893 embodied in Board's Proceedings No. 453 dated 14th Idem.

The later Government order authorizes the supply to be made to seven persons and fixes the period of supply to two years in lieu of five persons and one year under the earlier Government order. The quotation of the order of 1883 is presumably an oversight and I request that the Board will be pleased to have the error rectified.

Resolution.

Submitted to Government.

2.

The authorities quoted in col. 7 of Appendix

Yercaud and Kodaikanal varied considerably for the same description of clothing and fixed the maximum charge admissible for attenders, peons &c at hill stations at Rs.12 per head which was the amount expended in Malabar Wayanad. The liveries supplied to the peons in the Wayanad consist of 1 coat, 1 pair of trousers and 1 turban. The Board presumes that the maximum of Rs.12 above referred to is exclusive of the cost of a cumby and a water proof coat which are also allowed to the peons, masalchies, sweeper and gardener of the Nilgiri Collectorate and of the belt and waist band which are supplied to peons in the same district.

5. A revised list, collecting all the authorities in force on the subject of liveries, is herewith submitted for the information of Government.

G.O., No. 1667, Judicial, dated 7th September 1892.

ABSTRACT.—Fixing, in supersession of all previous orders, the rates of allowance for warm clothing to certain establishments in the Agency tracts, and the intervals after which its supply should be renewed.

READ—also the following papers :—

From W. O. HORNE, Esq., Acting Agent to the Governor, Vizagapatam District, to the Chief Secretary to Government, dated 27th April 1896, Ref. on Current No. 357-Agency.

The issue of warm clothing to menial servants of the officers employed in the Agency, at a cost of Rs. 976-10-8 per annum, was sanctioned in G.O., No. 1667, dated 7th September 1892.

2. Subsequently it has been represented by the Divisional officers that there are other servants on their establishments who ought similarly to be provided for. The pay of those for whom warm clothing is now recommended does not exceed Rs. 10 and they are unable to procure it for themselves—

Name of establishment.	Particulars of servants.	Allowance per servant.	Total allowance.	At what interval of time allowance to be renewed.
Special Assistant Agent	Two process servers.	Rs. 10	Rs. 20	Annually.

Tahsildar of Golconda	Eleven vil- lage officers.	20	220	Every two years as in the case of peon at Lamma-singhi.
			320	

3. The process servers in the Special Assistant Agent's office were, at the time of my letter, No. 330, dated 26th March 1892, disposed of in the Government Order above referred to, temporarily employed, and these were subsequently brought on to the permanent establishment—*vide* G.O., No. 1127, dated 5th June 1893. These peons have as much out-door work and itineration as those on the regular establishment of the Special Assistant Agent.

4. Originally the sub-jail warders at Koraput were allowed warm clothing and, for some reason unknown, the other sub-jail warders were left out of account. The Senior and Special Assistant Agents recommend that warders in all the sub-jails should be supplied with warm clothing and I see no reason to make any distinction between them and the Koraput men.

5. The abkari peon on the establishment of the Deputy Tahsildar, Padwa, was entertained after the passing of the Government Order sanctioning warm clothing, and he has as much itineration to do as any other peon of the division or taluk officers.

6. In G.O., No. 1685, dated 10th August 1895, the establishment for managing the muttaha in the Golconda Agency was revised. In consequence of the revision, twelve officers instead of one are employed under the Revenue Inspector for the collection of revenue; their duties lie in the most malarious part of the district and they are constantly travelling.

7. I request, for the reasons above stated, that Government will be pleased to add the establishment detailed in paragraph 2 to that appended to G.O., No. 1667, dated the 7th September 1892, sanctioning the additional allotment of Rs. 320 per annum.

Submitting letter from the Collector of Nilgiris re: the supply of warm clothing to peons in the Collectorate and stating that the Board does not consider that the sum of Rs. 12 sanctioned for peons' liveries at Hill station was intended to include the cost of a cumby and water-proof coat.

From M. Young Esquire
 The collector of St. John's
 St. John's

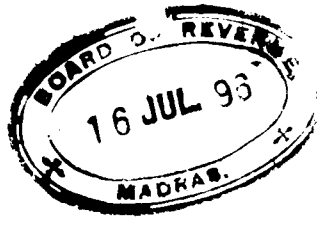

Sir,
 I have the honour to bring to your notice the following facts regarding the state of the clothing of the peons attached to this Division, for your very early order.

2. The last supply of cumblies was made in June 1894, then until then the peons had been supplied yearly. In this office letter dated 15 April 1896 Ref. on Ser. No 61 I reported to you that the cumblies supplied to the peons were in rags and requested that they might be given new ones. In reply you informed me in your letter dated 15 April 1896 No. 246 that the allotment of Rs 12 per peon had already been spent and that the peons must wait till the next supply is due.

3. The last supply of waterproof coats was made in June 1894; these were intended to last for 3 years or in other words the next supply should be made in June 1897 only. The waterproof coats which are supplied to the peons are usually very flimsy in texture and of the cheapest kind procurable.

BOARD'S REG. NO. 3803 OF 1896
NT

Nilgiri Collector's Office,
Ootacamund 13th July 1896.

From
Honorable J. D. P. C. J. E.,
Collector of Nilgiris

To
The Secretary to the Commission of
Land Revenue, Madras.

Sir,
I have the honor to enclose herein a letter from the Head Asst Collector, Nilgiris, dt. 27th June 96 bringing to notice the inconvenience and hardship to which the Peons of his Office are put for want of Waterproof Coats and Cumblies.

2 Under the rules which were in force up to the passing of G. O. No. 26 Pub. dt. 13th January 1894, each of the Peons of this Collectorate had been supplied with one serge suit ^{one} overland and one cumblie every year and with ^{one} Waterproof Coat every three years. The last supply of Cumblies and Waterproof Coats were made in May and June 1894.

3 As Government ordered in para 7 of its order quoted above that the maximum charge of clothing to Peons and attendants at Hill Stations should be reduced to Rs 12 per man each year a reference was made to the Accountant General as to whether this sum of Rs 12 was intended to include the cost of Cumblies and other articles of clothing supplied only once in a given number of years a distinguished for

the articles supplied even near. In reply the Accountant General informs me that even the expenditure must be brought within the sanctioned allotment of Rs. 2 yearly for man.

The order of Government by which the old rate of Rs 20 per person was reduced to Rs 12, appears to have been based on the representation of the Inspector General of Jails, who according to an appendix A printed in the G.O. under reference supplies his persons with only one suit of clothing at the cost of Rs 12. The work of the 'Inspector General of Jails' persons lies within the limits of the Head Quarter ~~town~~ as a rule and when they go out into camp their work is in the town in which the jail exists.

The duties of these persons and those of the persons attached to the Revenue Department under the Collector and Divisional Officers and the Tahsildars in this District cannot be compared with each other.

In this District and especially in the Gudalur Division persons often have to go out into camp during the rainy seasons and have to travel long distances in the pouring rain and when they arrive at their destination their clothes are wet through as they have no waterproof coats to protect them. The H.D. Asst. Collector brings to my notice that when he went down to Gudalur at the end of June 1896 he took with him three persons none of whom had waterproof coats. As it rained every day he was in camp, his persons had a very bad time

and one at least of them had a bad attack of fever.

With the amount now sanctioned per person of Rs 12, a serge suit costing Rs 10.8. and a turband at Rs 1.8. have been supplied since the passing of the above order. Even this amount is scarcely sufficient to supply the persons with a good stout serge suit fit to last a whole year. The Board is no doubt aware that clothing on the Hills is not so cheap as it is on the plains and it is quite impossible to supply the persons with waterproof coats and cumblies out of the amount sanctioned.

I observe that the Government of India has sanctioned Rs 15 per man to the entire person establishment attached to the office of the Principal Medical Officer, Madras Command, on account of warm clothing. Under these circumstances perhaps the Board may be pleased to move Government to increase the allotment to Rs 18. per man for the persons in this District. If this cannot be done I would suggest that Government may at least be moved to sanction, as a special case, the purchase of one waterproof coat and one cumbley ^{per man} every two years.

I have the honor to be

Sir,

Your most obedient servant,

Submitted for the orders of Government.

2. As already stated in para 4 of Board's Proceedings
No. 1458, dated 26th March 1896, the Board does not consider
that the sum of Rs. 12, sanctioned for peons' liveries in the
Nilgiri Collectorate was intended to include the cost of
curbly and waterproof coat or great coat. Indeed it would be
impossible to purchase the articles for that sum. If the Go-
vernment agrees in this view, it is requested that the Account-

Bulky file

F.D., allows a biennial supply of cumblyes and this the Collector of Nilgiris now recommends. Rs. 3 may be fixed as the maximum price of a cumbly or blanket. If a great coat that will last for 6 years can be had for Rs. 8-8-0 as stated in column 5, page 3 of the Government Order just quoted, the Board believes that a great coat will be preferable to a waterproof cape or coat that will not last for half the time. In the present case, the Head Assistant Collector, Nilgiris, recommends the supply of great coats and cites the precedent of the Police Department. The Board supports this recommendation.

3. The Board ventures to point out that the peons attached to the Secretariat offices of Government are given a much more costly supply of warm clothing though their stay on the hills only lasts for 6 months in each year.

To

The Secretary to Government Revenue Department, with letter & enclosure in original to be ret'd.

The Collector of Nilgiris, with copy of B.P. 1458, dated 26-3-96.

The Board of Revenue, Land Revenue submits for the information of Govt a revised list of liveries supplied to the Dept with the various authorities sanctioning them.

In para 7 of G.O. 4026 Pubd/13.1.94 the maximum charge for peons, attendants etc, at hill stations was fixed at Rs 12 in each case, which was the amount expended in Malabar (Wynaad). The Board points out the liveries supplied to the peons in the Wynaad consist of 1 coat, 1 pair of trousers + 1 turban, therefore presumes that the maximum Rs 12 is exclusive of the cost of the cumbly + waterproof coat supplied to the peon.

diversis

peons, masalchis, sweepers
& gardeners of the Nilgiri
Collectorate (i.e. the establishments
of the Collector & Hd Asst Collector,
Nilgiris & the Deputy Tahsildars
of Ootacamund, Coonoor &
Gudalur).

The authorities quoted by the Board for the supply of liveries to the Kilgiri Collectorate are Rs. $\frac{1266 \text{ Rs. }^{(1)}}{20,482} + \frac{104 \text{ Rs. }^{(2)}}{15,583} + \frac{26 \text{ Rs. }^{(3)}}{12,192}$. The first two of these merely ante-
-tion the annual supply of new clothing without laying down any scale, and the last merely fixes the maximum charge (para 7) as mentioned above at Rs 12 per annum; and this allows turbans (para 3) to the Establishment of Deputy Tahsildars. The Board has therefore struck out the item "turbans" for these officers but has retained the total cost at a max^m of Rs 12. A maximum of Rs 10 would appear to be sufficient in these cases. This is the limit fixed for the ^{servants} ~~peons of the Police~~ ~~peons of the Police~~.

With ref to the Board's annual list of liveries it is observed that, ^{the} Appendix to G.O. N^o 26 Feb 24/3.1.96 is a mere compilation ~~of the replies of heads of depts~~ ~~from various departments~~ and is no authority for the sanction of the various liveries enumerated therein. The several errors which have been pointed out in it and various subsequent G. Os on the supply of liveries having rendered it in many respects practically obsolete a revised proof of the list brought up to date, has been prepared including all liveries supplied, ~~excepting~~ ^{excepting} those for the Agency tracts of which a separate list is maintained in the Judicial Dept. A copy of this revised list is submitted.

It is proposed to ask the Acct Genl to have the proof checked in his office before it is finally issued.

Since the above was written
C. 2922 has been received
in which the Board submits
Letter from the Collector and
Head Post Collector, Nilgiris,
pointing out the inconvenience
& hardship to which the
peons of the Collectorate
are put for want of water
proof coats and cumblers.
The Collector states that pre-
vious to the issue of G.O. No 26
Pubd/13.1.94 each peon was
supplied with one serge suit,
one turban & one cumble,
yearly, and one waterproof
coat biennially. The last
supplies of the cumblers and
waterproof coats were
made in May & June '94.

The Asst Genl on a ref
being made to him by the
Collector, has ruled that
Every item of expenditure
must be brought within
the sanctioned limit of
Rs 12 per man per annum.

The Collector states that
a serge suit costing Rs 10.8
& a turban at Rs 1.8 have
been supplied since the passing
of G.O. 26 of '94, and that the
was hard of supply, & difficult to
obtain good quality material.
He points out that the max.
cost was reduced from
Rs 20 to Rs 12 presumably
because the latter sum was
deemed to be sufficient for

not necessary
DN

Yes - Good cumblers, to last 2
years, will cost Rs 3 each
DN

Very well

the establishment of the S. G.
of Tail whereas, while there
latter work as a rule within
the limits of the Head Quarter
town, and when in camp
within town in which the
jail exists, the peons of the
Collectorate & especially
those in the fundah division
have to go into camp during
the rainy season and
have to travel long distances
in the pouring rain.

It will be observed
however that Rs 12 was
found sufficient, not
only by the S. G. of Tail,
but also in the Wynad.
vide para 7 of G.O. 26 Pubd/13.1.94.

The Collector further states
that the foot of India has
sanctioned Rs 15 per man
to the entire peon establish-
ment attached to the office
of the P. M. O., Madras Command,
for warm clothing.

Under these circumstances
the Board submits that the
Asst Genl may be authorized
to withdraw his ruling; that
the supply of the cumblers
may be biennial (G.O.
26 has already fixed that
period) & the maximum
price fixed at Rs 3;
and that, if greatcoats could
be obtained at Rs 8/8 each to
last for six years (vide
column 5 & 6 of Appendix A
(para 31 to G.O. 26 of '94)).

They would be preferable to water-proof capes or coats that will not last half that time. The Head Asst Collector recommends the supply of great coats and cites the precedent by the police dept.

With ref to the Board's remark in para 3 of the Resolution that the persons of the Secretariat officers are given a much more costly supply of warm clothing though they stay only six months in the hills, it is observed that their cumbies, which are supplied biennially, cost only Rs 2/6.

But they don't need to wear all the year - 2 p in winter

This Dept. after some trouble the Madras office has been asked

In the revised proof submitted the price of the cumbies is fixed at Rs 2, allow 3 and a water proof coat to last 3 or 4 years at Rs 5. Should the Board's recommendation be sanctioned there will be considerable saving accordingly. The cumbies it will be observed are throughout the list priced at Rs 2 each for the years of the 24 of Registration when they are cut down to 2/8 to last 3 years. HRS 14/9/96

NOTE FOR THE Chief Assistant

Appended to the note for orders on 2932 is a statement of the warm clothing supplied to the various establishments in the Agency tracts. Columns 3 and 4 are practically blank the necessary information not being forthcoming.

Apparently from the abstract of P.O. 1938 Tull d/13. 10.92, orders to be replaced by Padwa. But the total depth should either have completed the file before sending the papers to Public or else have first made up the consolidated statement and then transferred to Public. As it is, all details are wanting. 15.9.96

 If the S. O. is wanted (although the

 for other reasons (e.g. for the notes

 think it would be better to publish a

GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

READ—the following papers :—

G.O. Mis. No. 1461, Revenue, dated 10th April 1896.

ABSTRACT.—Transferring Proceedings, Board of Revenue, submitting letter from the Conservator of Forests pointing out certain errors in Appendix A to G.O., No. 26, Public, dated 13th January 1894, regarding the issue of liveries to inferior servants of Government, and forwarding a revised list.

G.O., R. No. 1743, Revenue, dated 7th September 1896.

ABSTRACT.—Transferring Board's Proceedings submitting a letter from the Collector of Nilgiris regarding the supply of warm clothing to peons in the Collectorate, and stating that the Board does not consider that the sum of Rs. 12 sanctioned for peons' liveries at hill station was intended to include the cost of a cumby and water-proof coat.

ORDER—No. 1095, Public, dated 3rd September 1896.

The Government considers that, where turbans are not given, Rs. (10) ten should be sufficient for the suit of warm clothing supplied to the peons, attenders, &c., of the Nilgiri Collectorate. A good coat and pair of trowsers can be obtained for that sum. Turbans will in future be supplied only to peons of the Secretariat and the Board of Revenue. The Board's recommendations regarding cumblies and great-coats are approved. Cumblies will accordingly be supplied biennially at a cost of Rs. (3) three each, and great-coats, to last five years, at Rs. 8-8-0 each.

2. The peons and masalchis attached to the offices of the Deputy Tahsildars at Kodaikānal and the Shevaroy's will also be granted cumblies and great-coats on the scale sanctioned above.

3. The price of the cumblies supplied to the peons of the Inspector-General of Registration will be reduced from Rs. 3-8-0 to Rs. 2-8-0 as they are required for only a few weeks occasionally. The supply will be triennial. In all other cases in which cumblies are supplied to establishments permanently employed at hill stations the price will be fixed at Rs. (3) three, and the period of wear at two years.

4. The Accountant-General will be requested to be so good as to have the attached revised list of clothing, supplied at the cost of Government, checked in his office, in view to its issue for future guidance. Copies of the list will also be furnished to departments concerned in view to any necessary corrections or additions being brought to notice.
