To The Secretary to the Government of India, Military Department.

Dated Darjeeling, the 19th May 1896.

Sir,

At the instance of the Principal of the Medical College, Calcutta, I am directed to recommend that para:1687 of the Army Regulations, India, Volume VI be amended as follows, in order to bring it into accord with the orders issued by this Government, in letter No.128, dated the 1st March 1883, for the better management and control of pupil nurses under training in Hospitals in Calcutta, and which were approved by the Government of India in the Military Department, in their letter No.54 S.C. dated the 10th April 1883.

"The services of probationers or of pupil midwives who show no aptitude for their work, or who appear unlikely to make useful nurses may be dispensed with by the Ladies Committee or by the Principal of the Medical College, and if from idleness, fault of temper, insubordination or any other cause affecting conduct, it should appear to the Sister Superior and Ladies Committee that a woman is unlikely to become a good nurse, she may be discharged by an order of the Committee.

Sir,

*
addressed to the
Military Deptt:.

With reference to your letter No. 208 T/M, d/ the 19th May 1896 suggesting an amendment of paragraph 1687, Army Regulations, India, Vol. VI so as to bring it into accord with the orders approved of by the Military Deptt: in April 1883 for the better management and control of pupil nurses under training in Hospitals in Calcutta, I am directed to inform you that it has been suggested to the Government of India that if the rule is framed as proposed there will be a possibility of friction between the two authorities to whom the power of dismissal is given. The Principal of the Medical College is the responsible officer, and it may prevent a conflict of authority if he alone is empowered to settle the question of dismissal of a nurse for misconduct whenever it arises.

2. I am to enquire whether His Honour the Lieutenant Governor is disposed to agree to the adoption of this suggestion.

I have &c.

OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Madras, the 14th September 1896.

From Surgeon-Colonel D.F. Bateman,
~~SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.~~
Acting SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To
THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,
Public DEPARTMENT.

SIR,

With reference to your endorsement No.1568 dated 6th August 1896, referring to me for report correspondence from the Government of India, herewith returned, regarding an amendment of paragraph 1687, Army Regulations India, Volume VI which deals with the dismissal for misconduct of pupil nurses under training in the Hospitals in Calcutta, I have the honor to state that paragraph 1687, India Army Regulations Volume VI Medical, refers ~~only~~ to Military pupil mid-wives. The Government Maternity Hospital is the only institution in this Presidency where such women are trained and they are governed by para 1693 of the same Regulations. Under these circumstances para 1687 does not apply to Madras as the conditions seem to be different in this Presidency from those in Calcutta.

I have the honor to be,

Sir,

Your most obedient servant,

Surgeon-Colonel,

Acting Surgeon-General with the
Government of Madras.

Sir,

In reply to Mr. Hill's letter N° 634, dt 28.7.96, requesting the views of this Govt as regards the proposed amendment of para 1687, A.R.S. Vol VI, I am directed to state that H.E. the Governor in Council concurs in the suggestion of the Govt of India that the power of dismission should rest with the responsible Medical Officer.

I am to add that in
Madras this officer
is not the Principal
of the Medical College,
but the Supdt of the
Joot Maternity Hospital
where midwives are
