Volunteers.

Inviting the attention of the Life Insurance Companies to the remote contingency of an Indian volunteer being called out for military service on an emergency, and requesting them to state, through their Agencies at Madras, whether the ordinary civil rates of their policies would be affected thereby.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

ORDER—No. 1150, Public, dated 26th October 1896.

It is enacted, under section 27 of the Indian Volunteers' Act, No. XX of 1869, as amended by Act X of 1896, that in case of actual or apprehended emergency, the Governor-General in Council may call out any corps of volunteers for actual military service.

2. In these circumstances and in view of the very slight probability of Indian volunteers being called out for actual military service, the Life Insurance Companies, who have Agencies at Madras, will be invited, through their Agents, to inform His Excellency the Governor in Council whether they are prepared to accept without further premium the risk entailed on the lives of those volunteers who have executed, or who may hereafter execute with such companies' policies which are covered by ordinary civil rates.

To

The Chief Secretary
to the Government of Madras.

Sir,

In acknowledging the receipt of G.O. No. 1076, Public, dated 28th September 1896 I am desired to say that the Lieutenant General Commanding the Forces thinks the communication to the Insurance Companies on the subject referred to would come with greater force and propriety from the Local Government and this also appears to His Excellency to be the intention of para 3 of the letter from the Government of India.

2. Under these circumstances, if the Local Government still considers the communication to the Insurance companies should be made from the Head Quarters of the Madras Command, His Excellency would be glad if the point could be referred for the orders of the Government of India.

3. The Lieutenant General makes this request, not from any desire to...
