SUPERINTENDENT, ARCHAEOLOGICAL SURVEY,

(MADRAS,)

To

The Chief Secretary
to the Government of Madras.

SIR,

With reference to the entry in my budget for 1896-97, providing for the purchase of coins and objects of ancient interest, I have the honour to state, that the accountant-general has enquired whether any authority exists for incurring such charges, without reference to Government.

2- If authority in each instance is necessary before coins can be purchased, I would request that a general permission might be granted to do so. They are sometimes essential in the preparation of reports, and coins of interest are occasionally met with in places visited on tour. But the opportunity for purchasing them might be past, before orders regarding them were received. [much needless correspondence would be incurred by referring each

case for sanction. A few annas worth may be got at one village, and perhaps about the same at another.

3- With coins of special value, and interesting articles, exceptional in cost or otherwise, it would be desirable that the sanction of Government should be required. The marginally noted Government orders deal with such objects.^x

FOR ORDERS.

List

The Supt. Archaeological Survey states that, with ref to the provision in his budget for 1896-97 of Rs 73 for purchase of coins and objects of ancient interest, the Acct Genl has enquired him whether any authority exists for incurring such charges without ref. to Govt.

The Supt. remarks that if sanction is necessary in each case for the coins can be purchased, the opportunity of purchasing would frequently be before the necessary authority could be maintained, and further that this would entail much needless correspondence on a matter involving the expenditure of only a few annas. He requests that a general permission may be granted him to make such purchases; while, he adds, with coins of special value & interesting articles exceptional in cost or otherwise, it would be desirable that the sanction of Govt. should be required.

The previous orders bearing on the subject are
~~Government of India Resolution No. 5-113 (Archaeology) of 15th March 1886. Para 5.~~
