This is a Captain French in letters, who speaks
 French and who is available, but he would not be
 as good a choice as Mr. J. J. Smith. It
 might be worth while to make sure by a reference
 to the fact of his age, whether, in the event of
 his death, the letter giving him long pay &
 allowances would be paid from Provincial
 funds. This information might be useful in
 other similar cases. Let me see the draft.
