

Public (1896) Department.

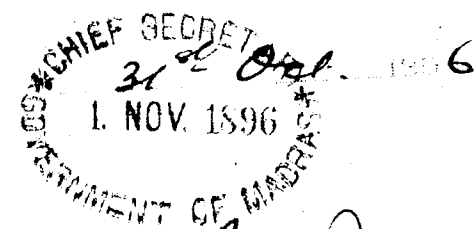

ORDINARY MS.

G.O., No. 1215

DATED 13 11 96

[Despatch Abstract.]

*Appointing Mr. H. A. Sim to act as Collector
and Magistrate of Salem.*

My dear Arundel. My
His Excellency
knew that the Sub-
Collector of Salem was
a Native and that a
Dy. Coll^r was at Tirup-
pattur, but he does not
think that these facts
are sufficient to warrant

the refusal of Monney's
leave. Monney was

asked to take his leave
later but he does not
want it at all if he
cannot be at home for

the Xmas holidays.

A Dr. Collie must be re-
turned at Timpather or
some head accts station

as four Head Assistant-
ships have been trans-
ferred the Prob service
and the acting appoint-
ments must also go to
that service.

Yours sincerely
H A Christ.

Mr. Sim's appointment

FOR ORDERS.

A minute of appointment
of Mr Sim to act as collector
of Salem is submitted for
His Excellency's signature.

A draft order placing the
Sub-collr. in charge of the
district is also submitted

No. 1215 OOTACAMUND, 13th November 1896.

THE PRESIDENT proposes the following

appointment:—

I would ask H.E. to consider whether
Mr. Sim could be provided for in
some lighter app't, preferably a Dis-
trict Court, than one of our larger
Collectories. His situation, I am
glad, that Mr. Sim's state of health
is such as to prevent him discharging
the duties of a Collectory in a satis-
factory manner.

Mr. Henry Alexander Sim to act
as Collector and Magistrate of the
district, Salem. To join on relief by
Mr. W.F. Grahame at Cuddalore.

I am afraid Mr. Sim could not
do the work of Collector of Salem.
Mr. Dordon told him he could not
undertake work of that description.
I am very highly of him. I
have been assuming that Mr.
Thoburn is going to take leave
& that Mr. Sim will not go
to Kurnool, but I don't know
if this is the case.

5/11/96

I may remark that I know
from Mr. Sim himself that he
likes the prospect of going

to Salem to act as Coler
for a short time. But he
is ~~not~~ ~~an invalid~~ ~~body~~
under medical treatment
& could not I believe do any
working in Salem or any
hard outdoor work without
~~soon~~ breaking down.

The objection to Lake Kurnool
is the 40 miles of road to it
from the Ry Station. ^{but a palanquin would meet that} He likes
that district. ~~Not~~

HA 5-11-96

I have seen a letter from Mr. Seim in which he expressed pleasure at the prospect of Salem, and hopes that he would be able to show that he no longer ^{desires} to remain in the country. The admt. would be for five or six weeks only. Mr. Thorburn does not want those titles, and I suggested that I would send the Hon. Mr. Bland's suggestion before proposing Mr. Seim for Salem, and I think it could not be carried out as regards Ballou, as he is not available at the present moment, and Ballou has been failed since.

Recirc? to
Hon. Mr. Grose C.D.

Will not refuse to do so, but
don't think the circumstances
are. Imagined that something
had, I don't think his money
get his leave. 12/11/96
