Sir,

I have the honor to invite your attention to paragraph 2 of the letter from the Port. of India received in P.O. 630. Letter dated 6th. Jan. 1896, a copy of wh. is attached and to suggest that in future correspondence intended for this Port. may be forwarded direct to the Secy. in the Dept. to wh. the Subject under reference relates, instead of to the Chief Secy. in every case, as is at present the practice. OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, the 29th October 1896.

No. 501

From

SURGEON-MAJOR-GENERAL J. SIBTHORPE, F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

Memo 1237 abstract
18-6-96
put up

With reference to my letter No. T/179 dated 8th June 1896 and endorsement order thereon No. 1237, Public, dated 18th June 1896 approving of the erection of certain covered ways in the Government Maternity Hospital, I have the honor to forward the accompanying plan and estimate prepared by the Consulting Architect to Government in connection therewith and to request that Government may be pleased to sanction the execution of the work during the current year.

2. The necessity for the work has already been explained in my letter quoted above and the source from which the expenditure might be met pointed out.

I have the honor to be,

Sir,

Your most obedient servant,

Chibmoper
Surgeon-Major-General,

Surgeon-General with the Govt.
of Madras.

Conc

For Orders

Hon M. H. Hopkins C.R.

In his letter N. 7/179 of the 8th June last the Surgeon General solicited the sanction of the Govt to the erection, at an approximate cost of Rs 2706, of certain covered ways at the foot of the Maternity Hospital to connect with the main block "the Matrons and Nurses' Home, the hospital Kitchen and the Steward's Office". He explained that this would supply a long felt want, protect the nurses from the sun and rain; and obviate the risk of the food of the patients being spoiled during wet weather.

The Surgeon General's request that the Consulting ^{Architect} should be directed to prepare the necessary plans or estimates was approved and transferred to the P. W. Dept for the necessary action by Enclt N. 1237 d/18.6.96.

He now submits for sanction a plan and estimate amounting to Rs 5302, with the remarks that the necessity for the work and the source from which the expenditure might be met have been pointed out in his letter quoted above. Sanction is asked for the execution of the work in the current year.

It will be seen from para 3 of his former letter that

A

That I have suggested util-
 -izing a portion of the sum of
 Rs 1000, said to be available
 in consequence of (1) the altera-
 tions to certain covered ways
 in the institution having been
 dispensed with under fo. N^o B
 527 Pubd/11.5.96 and (2) to item
 N^o 136 - "Relaying the floors of the
 Caste wards" ^{being} expunged
 from the final issue of the
 P. W. Budget for 1896-97 vide
 fo. R N^o 467 Pubd/20th April 96 C

As to this the H.M. observed
 that, unless he was mistaken, ^{vide A}
 the P.W.D. would require all
 the money it had for other
 purposes.

The present estimate
 provides for covered ways
 from (1) the contagious cottages to the
 Madam's quarters (2) from the
 nurses' quarters to the kitchen
 (3) from the kitchen to the main
 block (4) from the kitchen to
 the store room and (5) from
 the store room to ^{the} covered
 ways of Caste wards.

(1) distance	31 ft	from main block to 25 th 9 th 22 nd
(2)	84 ¹ / ₂ "	do to 85 th 8 th
(3)	68 "	" " " " " " " "
(4)	63 ¹ / ₂ "	" " " " " " " "
(5)	21 "	" " " " " " " "
Total distance		268 ft.

The question of funds
 is for the P.W.D. to decide.

The erection of the covered
 ways has already been
 approved but this was
 on the S.G.'s rough estimate
 of Rs 2706. The estimate
 now submitted is for Rs 5302.
 Considering the ~~same~~ projects

I think this may
 well stand over.
