DATED 17. 11. 96

INDEXED.

[Despatch Abstract.]

Ordering that the future incumbents
of the appointment of Cashkeeper, Chief
Secretariat, be required to furnish
a security of Rs 1000.

personal blunders and as such blunders
concern matters of money, I often find
myself compelled to undergo some
pecuniary loss in order to avoid blame
& leave the ^{Office} as honestly as I entered it
and worked in it -

Now am I in my present
state of health fit for the slightest
physical exertion - If I walk a
few steps I breathe heavy and hard.
Under these circumstances I find it
difficult to go to the Accountant General's
office for frequent references and receive
cheques & Cash, which my work requires
me to do -

About this time look upon the Chief
 2 instant on a representation of these facts
 was kind enough to recommend me for
 3 from the privilege leave which was granted
 to me. The rest I then had has enabled
 me to file on these for; and any more
 sustained exertion on my part will I fear
 do

fear do me much harm. 3/12/98
 I have been thinking of you

I beg to add that I have not
taken Sick leave, furlough or any other
long leave during all this 25 years.
Under those circumstances I humbly
crave that your honor may be pleased
to grant me furlough for 2 years, for which
I am eligible and by the grant of which
I will be enabled to add a trifling sum
of \$22 to the pension I may ultimately
get. If this is not thought feasible
I pray that I may be permitted to retire
from the Service—

I beg to remain
Yours Sir

Your most obedient servant.

NOTE FOR THE CHIEF SECRETARY.

In the attached paper
the officer C.H. asks for two or
years furlough or permission
to retire. He is getting past
his work, and he is not
quite able for any other work
in the office. He will not
have to depend solely on
his pension as he owns
Some land. His only object
in asking for furlough is
to increase his pension
by Rs. 21. He would not
~~return~~ return at
the end of it. I do not
recommend the grant
of furlough - but that he
be sent before the Dist.
Surgeon. If certified
unfit for further service,
which is probable, he will
get a half pension.

The C.H. here has a
standing advance of
Rs. 650/. besides the
charge of valuable stores.
I recommend that his

successor did: here-
quired to furnish
Security - say Rs. 1000/-

As Mr. Prisco takes a
considerable interest in
his office establishment
& knows nearly each
member of it & his record
you may wish to let the
matter await Mr. Prisco's
return. I have no doubt
C.K. will be able to hold
on till then.

Otherwise, may I
send you for signature
a letter to the Dist. Surgn.
explaining the case
& asking him to certify
his opinion?

Certainly.
Does the present
C.K. give no security?

After what he says in
his petm. he ought
not to be required
to stay on. Send
him to the Dist. Surgn.
with letter.
