O R D E R :- No 1802 dated 14th November 1896.

In the papers read above the Inspector-General of Police and the District Magistrate of Cuddapah submit their replies to G.O., No 1312 Judicial, dated 14th August 1896, in which they were requested to report upon the conduct of their subordinates in dealing with Cuddapah Sessions Case No.1 of 1896.

2. The District Superintendent of Police, appears to have formed an entirely erroneous opinion regarding the guilt of the woman Naramma, and in the opinion of His Excellency the Governor in Council he took no sufficient interest in the case. The Inspector-General of Police will communicate this remark to him. The other members of the Police force do not appear to have acted in a manner deserving of censure.

3. The Sub-Magistrate of Kamalapuram, M.R.RV.N.Narayana Rao, undoubtedly contributed, by his mismanagement of the case, to the failure of justice which occurred.

4. His Excellency the Governor in Council has considered Mr. Tate's explanation of the delay which occurred in his office in forwarding the record of the case to Government, and regrets that he cannot regard it as satisfactory. To the delays which were permitted to take place the failure of justice is mainly due.

In continuation of para 4 of G.O., No 1802 ^{judicial} dated 14th November 1896 ~~Judicial~~ on the subject of the delay in your office in forwarding to Government the records of a case in which you had recommended an appeal to the High Court, I am directed by His Excellency in Council to draw your serious attention to the necessity of guarding against a return to your former habit of detaining papers and to say that a relapse of this kind will render you unfit for the post of Collector of a district.
