3. Commanding officers will at once send an order to all men on leave or furlough directing them to rejoin at once, at the same time enclosing to men on leave a return railway warrant from the nearest railway station. which can be procured from the Contractor for Printing Government of India

Stock Forms on application, and which will be kept in the mobilisation box until required for use.

In the event of mobilisation on a large scale, the Government of India will also issue orders to local Governments and Administrations, who will direct civil officers in charge of districts, and Political Agents or Ministers of Native States under their orders, to issue a proclamation in all towns and villages in their charge, directing all men on leave and furlough to rejoin their corps without delay.

Men proceeding on leave or furlough will be warned that they are to rejoin on hearing this proclamation, even though they may not have received orders to do so from their commanding officer.

If a man is on leave, he will, in this case, rejoin at his own expense, the cost being recovered afterwards in the usual manner and refunded to him.

N.B.—The proclamation above referred to will only be made when there is no political objection to the adoption of such a course, and never without the orders of the Government of India.
