GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From R. NATHAN, Esq., Officiating Under Secretary to the Government of India, Home Department (Medical), to the Secretary to the Government of Bengal, Municipal (Medical) Department, dated Simla, the 21st November 1896, No. 29-Medl.—1021.

I am directed to acknowledge the receipt of your letter, No. 182-T.M., dated the 14th May 1896, soliciting orders on the question, originally raised in your letter, No. 640-T.M., dated the 5th October 1895, whether a Medical Officer officiating in Civil employ, who takes furlough out of India while so employed, loses by so doing not only his lien on the officiating appointment but also his position on the list of temporary Medical Officers.

2. In reply, I am to invite attention to the recent addition to Rule 2 under Article 42 of the Civil Service Regulations, and to say that furlough or leave, other than privilege leave and leave on medical certificate, operates as a break cancelling past officiating service for the purposes of the rule. Thus when an officiating officer takes leave, other than privilege leave or leave on medical certificate, he not only loses his lien on his officiating appointment in the Civil department but also his position on the list of temporary Medical Officers, and would, if he entered that department again, have to begin service therein afresh.
