Remarks.

1. The British India Steam Navigation Company's S.S. *Wardha* left Réunion with 30 emigrants on the 22nd of October 1896 and arrived at the Mauritius on the 24th idem. They were there detained until the 7th of November, on which date they proceeded to Colombo in the same vessel. The emigrants were there transhipped into the British India Steam Navigation Company's S.S. *Fazilka* on the 19th November 1896 and arrived at Pondicherry on the 22nd idem.

2. One of three emigrants returning to Calcutta, named Danou, had, on landing at this port, to be detained at the expense of the French Government. He was suffering from phthisis and was at once admitted into the General Hospital of Pondicherry. The other two went on to Calcutta in the S.S. *Fuzilka* the same day.

The number embarked from Réunion, as per the Pondicherry list, was 27; there were no births or deaths during the voyage. Including the emigrant returning to Calcutta who was sent to the hospital, the number actually landed was 28.

3. Excepting the emigrant Danou who was suffering from phthisis of long standing, the remainder were all in good health.

It is reported from the hospital that Danou is improving.
Twenty-six of the emigrants landed are said to be paupers and the remainder are supposed to have brought savings to the amount of Rs. 622 between them.

Fifteen poor emigrants got help to the extent of Rs. 29 between them to assist them to their villages.

Only 18 out of 23 emigrants entered the list as entitled to receive suits of clothes were given them, the remaining suits being deficient in the package sent from Réunion. Arrangements were made with the "Commissaire d'Emigration" for the supply of the five suits, which were carried out.

4. All the emigrants were questioned, and none of them made any complaint as to their treatment on board ship. One of them asked for some gratuity as having served as cook on board the S.S. *Wardha* and at Mauritius to the returned emigrants. The Captain of the *Fasilka* paid him Rs. 3 on behalf of the Company.

5. The S.S. *Fuzilka* left for Calcutta the same day, and the Protector of Emigrants at that port was duly informed of the fact and furnished with the necessary list.

From R. KEISLER, Esq, Medical Officer in charge of immigrants from La Réunion and Mauritius, to His Excellency the Governor of Pondicherry, dated Pondicherry, 22nd November 1896.

J'ai l'honneur de vous faire savoir que j'ai été nommé pour prendre charge des rapatriés de l'Ile de la Réunion pour ce port.

Nous avons eu beau temps pendant la traversée et à l'exception du nommé Danou souffrant de la phthisie pulmonaire, les rapatriés se sont très-bien portés. J'ai surveillé avec le plus grand soin le traitement ainsi que la nourriture de ceux placés sous mon contrôle.

L'état sanitaire de tout le reste était satisfaisant.

From Captain L. H. HAWKES, Acting British Consular Agent, Pondicherry and Karikal, to the Chief Secretary to Government, dated Pondicherry, 2nd December 1896, No. 159.

Referring to my report on the returned emigrants, No. 156, dated 26th November 1896, I have the honour to inform the Government that the immigrant *Danou* who was under treatment in the hospital at Pondicherry, died at half-past four this morning.

2. I further have the honour to report, for the information of Government, that the sum of Rs. 2, which he got as "secour" from the French Government, has been sent to the Protector of Emigrants at Calcutta for favour of disbursement to the heir of the deceased, if any.
