PUBLIC DEPARTMENT.

G.O.

READ—again G.O., No. 538, Public, dated 16th May 1896.

READ—also the following papers:—

From F. T. BAGSHAW, Esq., Commissioner of Police, to the Chief Secretary to Government, dated Madras, 17th October 1896, No. 94.

Owing to the reduction of the Madras Garrison by the removal of the wing of the 14th Madras Infantry from Ráyapuram to St. Thomas' Mount, the Brigadier-General Commanding Madras District has requested the Accountant-General to have the sepoy sentry who is posted in front of the Accountant-General's office in Palace street at night relieved by a police sentry, and accordingly the Commissioner of Paper Currency requests me to arrange for the sepoy sentry being relieved as early as possible.

2. To comply with this requisition an increase of four men at a cost of Rs. 35 per mensem to the Paper Currency guard, sanctioned by G.O., No. 391, Financial, dated 24th June 1896, is required, and I have the honour to solicit sanction for the same.

Endt. No. 2284.

The Accountant-General is requested to explain the necessity for the sentry referred to, and to report the distribution (night and day) of the establishment of three head and twelve ordinary constables already sanctioned.

FORT ST. GEORGE,
6th November 1896.

(Signed) A. L. HANNAY,
Ag. Asst. Secretary.

From F. C. HARRISON, Esq., Commissioner of Paper Currency, to the Chief Secretary to Government, dated Fort St. George, 20th November 1896, No. 2599.

With reference to your Assistant Secretary's endorsement, No. 2284, dated 6th November 1896, on letter, No. 94, dated 17th October 1896, from the Commissioner of Police, Madras, herewith returned, I have the honour to state that a military sepoy sentry is detailed from the St. Thome Gate guard and posted from 6 P.M. to 6 A.M. in front of the Accountant-General's office. His duty is to guard the front of the Accountant-General's office and to keep a sharp look-out on the passage between it and the Paper Currency office. He does not allow any person to enter the Accountant-General's office during that time excepting the peons on duty or those who sleep there during the night. As access may be had to the back and sides of the Currency Reserve vaults through the Accountant-General's office and also through the passage above referred to, the presence of the guard is essential to the security of the vaults.

2. With regard to the distribution of the present establishment—viz., three head constables and twelve constables—attached to this office, I beg to report that one head constable and three constables go home daily by turns. Of the remaining constables two are posted both day and night as sentries in the passage fronting the vaults, and one is posted in front of the guard-room at the back of the Accountant-General's office from 4 P.M. to 8 A.M. A change is made in the sentries every two hours. The two head constables and the nine constables that remain on duty daily are permitted to go home for their meals for four hours during each day. The constables have also to accompany the shroffs, &c., who go to the Madras Bank in charge of remittances which are sent from this office, and peons of the Accountant-General's office who go there to cash cheques, &c.

ORDER—No. 1294, Public, dated 9th December 1896.

Sanction is accorded to the entertainment of four constables at a cost of Rs. 35 per mensem, in addition to the establishment approved of in the Government order quoted above, to relieve the sepoy sentry posted in front of the Accountant-General's office at night.

2. The requisite proposition statement should be submitted.
