SURGEON-GENERAL WITH THE

To

THE HONOURABLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to para 10 of G.O. No. 712 Public of the 28th August 1895 requesting to be furnished with particulars of the use made of the Quarters provided for native gentlemen and the amount of fees recovered on that account, I have the honour to state that quarters were opened for native gentlemen on the 3rd Storey of the General Hospital on 1st January 1894 and that these quarters consisted of eight rooms, four of one bed each and four of two beds. On April 1894 three of these rooms (two large and one small) were given up for the accommodation of the Nursing Institute, as per G.O. No. 265, of 18th April 1894.

2. The total number of patients who occupied the native officers' quarters was twenty with an average daily rate.

794 and the maximum number present
on any one day was five during the period.
The highest and lowest rate paid by any one
patient was Rs 3 and 2 respectively and the
total amount collected was Rs. 949.

The rates charged are Rs. 3 to Rs. 2 per diems
3. With reference to the last sentence of para
5 of the G.O., I have to state that the figures
6570 and 7.38 are mistakes for 2657 and
2.28 respectively the errors having arisen
in the proof and not been detected in
revision.

I have the honor to be,

Sir,

Your most obedient servant,

C. S. M. N. S. S.
