GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated 7th September 1895, No. 373.

With reference to paragraph 2 of G.O., No. 463, Public, dated the 10th June 1895, I have the honour to forward a list of menial servants of the combined hospitals (General and Women and Children hospitals) for whom clothing is proposed.

2. The Senior Medical Officer reports that the cost of clothing to these menials will not exceed the rates (in-door servants Rs. 7-4-0 each per annum and gate peons Rs. 5-2-0 each) laid down in G.O., No. 411, Public, dated the 11th June 1894, and requests that the free issue of clothing may be sanctioned to them. I strongly recommend his request for the favourable consideration of Government.

Resolution—dated 31st October 1895, Mis. No. 4590.

To the Chief Secretary to Government, Public Department.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 13th December 1895, No. 556.

With reference to memorandum, No. 2546, Public, dated the 25th October 1895, I have the honour to state that clothing for all the menial servants of the General Hospital was originally sanctioned in G.O., No. 286, Public, dated the 15th April 1890, with the exception of the iceman, which appointment was not then in existence.

2. In the orders of Government, Nos. 692 and 463, Public, dated the 19th September 1894 and 10th June 1895, respectively, clothing was disallowed to the servants noted in the margin. But when Government called upon me to furnish a

list of menials of the combined hospital the servants named in the margin who were transferred from the Women and Children Hospital as well as those who were deprived of this concession in the orders quoted above.

Cooks, natives.	Kitchen woman.

3. All these menials are in-door servants of the hospital, and the concession, if granted, will ensure general uniformity and continuous service amongst them—thereby adding to the efficiency of the hospital.

Returned to the Surgeon-General for correction, as the Government Orders quoted in paragraph 2 do not contain the orders attributed to them.

FORT ST. GEORGE,
21st December 1895.

(Signed) J. F. PRICE,
Chief Secretary.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 16th January 1896, No. 27.

In returning the endorsement, No. 3061, dated the 21st December 1895, on Public Current No. 4201, I have the honour to state that the orders referred to were cited to show that clothing at the expense of the State, granted in accordance with G.O., No. 286, Public, dated the 15th April 1890, was not extended to the servants mentioned in paragraph 2 of my letter, No. 556, of the 13th December 1895.

ORDER—No. 159, Public, dated 30th January 1896.

The Government is not convinced of the necessity for the free issue of clothing to all the servants mentioned in the list

Male and female ward attendants including probationers
Male and female toties.
Bearers, sweepers and lascars.
Gate peons and "coolies" in authorized appointments, with the exception of those employed in the kitchen.
Peon and boatswain.

submitted with the Surgeon-General's letter, No. 373, dated 7th September 1895. Sanction will be restricted to those noted in the margin.

2. It is observed that the ordinary police are clothed at the rate of Rs. 3-10-6 per head per annum. This provides for two white cotton drill coats, two pairs of

trousers, a turban and shumla. The Government sees no reason why this sum should be so much exceeded at the General Hospital, and accordingly directs that, for those hospital servants who are supplied with similar articles, a maximum expenditure of Rs. 3-12-0 per head per annum shall be allowed, and that for the others it shall be on a proportionate scale.

I have marked with ✓

Will what I have
written do or must any-
thing further be stated?

The C.S.'s notes on the

The "43 in office note"

same remark applies

SIR,

With reference to Memorandum No. 2546, Public, dated the 25th October 1895, I have the honor to state that clothing for all the menial servants of the General Hospital was originally sanctioned in G.O. No. 286, Public, dated the 15th April 1890, with the exception of the iceman, whose appointment was not then in existence.

2. In the orders of Government Nos. 692 and 463 Public dated the 19th September 1894

and 10th June 1895 respectively, clothing was disallowed to the servants noted in the margin. But when Government called upon me to furnish a list of menials of the combined hospital for whom clothing was considered necessary, I included in the list already sanctioned the servants

iceman.

SIR,

In returning the endorsement N^o. 3061 dated the 21st December 1895, Public, Courant 22.1.96, I have the honour to state that the orders referred to were cited to show that clothing at the expense of the state, granted in accordance with G. O. N^o. 286, Public, dated the 75th April 1890, was not extended to the servants mentioned in para 2 of my letter N^o. 556 of the 13th December 1895.

I have the honor to be,

Sir,

Your most obedient servant,

G. Sibthorpe

named in the margin who ^{Cooks natives.} were transferred from the ^{Hindu Cook (cast)} Kitchen ^{Puckally} women and Children Hospital as well as those who were deprived of this concession in the orders quoted above.

All these menials are indoor servants of the hospital and the concession if granted will ensure general uniformity and continuous service amongst them - thereby adding to the efficiency of the Hospital.

For Orders

In his note of the 21st
Oct last (on Cs. 2969 & 3276) the
H.M. called for certain in-
formation as to the cost of
clothing the Police & the men
of the Salt & Abkan Dept for
purposes of comparison with
the Surgeon Genl's figures for
clothing the medical Staff
of the Combined (Genl and
Wol's) Hqtl. The H.M. also
directed that the Surgeon Genl
shd be asked what justifi-
cation there is for clothing
these servants marked in
the list with C2969 with
blue chalk.

The former information
is given in currents 3678 &
3681. The comparison
shows as below -

Police	S. A. Dept
Ordinary Police	Temporary peons
Rs 3-10-6 per man	2 petty officers
	* Rs 1-12-7 Each
Reserve & Hill Police	Permanent peons
Rs 6-11-6 per man	2 petty officers
	* Rs 3-6-11 Each

* for a portion of
the year only.

The

His statement (marked with red tape) with G.O. N° 444
dated 11th June 94 gives the details of the clothing for ward servants etc.

from the Genl. Hq. It would appear that

these & the police men

get essentially the

same articles —

a coat - trousers and

turban. But the quality

apparently is different

as also the quantity.

The proposition statement

received with C. 3276 is

stated with G.O. 759 dated 9-9-95

now with C. 3912 re Nursing

Establishment (in care).

With reference to

the latter information

the Surgeon Genl replies

in Current 4201. That

clothing for all the

of the Genl Hq. was

menial servants, was

sanctioned with G.O. N° 286

dated 15th April 90, excepting

the Seaman whose appoint-

ment was not then in

existence.

G.O. 692 & 663 of resp.

the 19th Sept 94 & 10th June 95

"disallowed", i.e. as the

Surgeon Genl explains in C

202, did not include

H

the
Seaman
Coolies Kitchen
Butcher
Carpenter
Gardener
Bricklayer

all of whom, except the

Seaman, were included

by G.O. 286 which please see

when called upon

to furnish a list of all for

whom clothing was con-

sidered necessary, the G.O.

included these as well as

the

Cooks native

Hindu Cook (caste)

Kitchen women

Partially

who were transferred

from the W.O.C's. Hq.

It will thus be seen that

the justification is the G.O.

opinion "that the concession

if granted will ensure

general uniformity and

continuous service amongst

them — thereby adding

to the efficiency of the

Hospital.

Presumably this reasoning

applies also to the

Mussalches

Bathmen

Tailors

nurses' maty

but the Surgeon General

does

does not say so.

The figures now furnished show that the Genl Hosp rates are high. It should be possible to clothe the whole medical establishment for the sum at present spent on a portion of it. From the statement with G.O. 411 d/11.6.94 it appears that gatekeepers receive 2 white coats @ 1/4/0 each and 2 white trousers @ 1/4 as each or Rs. 4/4/0 for the 2 suits. Whereas the Ordinary Police get a similar issue for Rs. 2.15-0. There seems no reason why there should be such a difference in the quality of the cotton drill - if that is what it is.

Details of the cotton clothing provided for S. & A. peons for Rs. 3.6.11 are not afforded but it seems probably it is the same as the Police, who, in addition to the two suits costing 2/15/0, receive a turban @ 10 as & a shumla @ 1/6 pie. (Shumla is the bit of blue cloth to which the shawl is attached).

22/1/96 I was away on leave when G.O. No. 282 of 1870 was passed. I would have objected to a considerable number of the servants mentioned & I had dealt with the letter of the G.O. embodied as Rs. 60. I do not know where the servants' arguments are at all.

The Govt is not convinced of the necessity for the free issue of clothing to all the servants mentioned in the list submitted with the Surgeon Genl's letter No. 373 d/7th Sept 95. Sanction will be restricted to those noted in the margin.

* Male and female ward attendants, including probationers.
Male & female loties.
Bearers, sweepers & ascars.
Gate peons and "coolies" in authorized appointments, with the exception of those employed in the kitchen.
Peon and Boatswain.

2. It is observed that the ordinary police are clothed at the rate of Rs 3.10.6 per head per annum. This provides for two white cotton drill coats, two pairs of trousers, a turban and shumla. The Govt sees no reason why this sum should be so much exceeded at the Genl Hospital, and accordingly directs that for those hospital servants who are supplied with similar articles a maximum expenditure of Rs 3.12 per head per annum shall be allowed and that for the others it shall be on a proportionate scale.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated 7th September 1895, No. 373.

With reference to paragraph 2 of G.O., No. 463, Public, dated the 10th June 1895, I have the honour to forward a list of menial servants of the combined hospitals (General and Women and Children hospitals) for whom clothing is proposed.

2. The Senior Medical Officer reports that the cost of clothing to these menials will not exceed the rates (in-door servants Rs. 7-4-0 each per annum and gate peons Rs. 5-2-0 each) laid down in G.O., No. 411, Public, dated the 11th June 1894, and requests that the free issue of clothing may be sanctioned to them. I strongly recommend his request for the favourable consideration of Government.
