The Governor in Council Madras

W. D. Moot Hojend Submission Sana Syed
Mohideen Piliat Kattalai Street Exorcadi Mangandi
Salug. begs to bring to your excellency's kind
notice the following facts regarding a money-
order issued in my name, from Talana Killa
in Ceylon, date of issue 22nd September 1893, paid
to me at Trukaranagudi Post Office South India

1. The money order was issued by me at Talana Killa Ceylon
on the 22nd September 1893.

2. Some untoward circumstances detained me &
consequently I was not at Exorcadi in time.

3. Now the Post Office alleges to have paid the money
to me on 4-5-6-October 1893

4. I was in jail on a civil warrant from October to
November in Ceylon.

5. I petitioned the Post Master General many times on
the above matter. That the Subgovt. will receive his
attention "was the only reply I have been able to get
from him, until 1st November 1895. Thus was I put
to very great anxieties for a period of 2 years, with
this simple assurance, until on the 6th January 1896
I received a reply to say that my claim to interfere
myself in the matter cannot be recognised.

I therefore most humbly beg your Hon. or Excellency
to be kind enough to enable me to get the money
from the Postal authorities if not authorize me
to take legal steps in the Civil Court.

I beg to ~~thank~~ ^{acknowledge}
 your most ^{kind} Christian letter
 of 20th inst. I am glad to hear
 that you are well and hope you will
 continue so.
