Medical Appointments.

Communicating to the Surgeon-General, for guidance, a resolution of the Government of India permitting Local Governments to appoint in cases of extreme urgency uncovenanted medical officers to posts reserved for covenanted officers.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

Extract from the Proceedings of the Government of India in the Home Department (Medical),—under date, Calcutta, the 12th December 1895, No. 27-Medical—876-888.

Read—

Home Department Resolution, No. 17-Medical—481-94, dated the 31st October 1884.
Letter from the Government of the Punjab, No. 384-S., dated the 16th July 1895.
Home Department letter to the Government of the Punjab, No. 369, dated the 5th September 1895.
Letter from the Government of the Punjab, No. 897-S., dated the 24th September 1895.

Resolution.—Under the orders contained in the Home Department Resolution of the 31st October 1884, cited in the preamble, the appointments available for medical officers of the Indian Medical Service, both covenanted and uncovenanted, in the Bengal Presidency, were divided into three classes—namely, No. I, appointments to be held by covenanted officers only, to which uncovenanted officers were on no account to be posted; No. II, appointments to be held by covenanted or uncovenanted officers, as might be found most convenient, it being understood that no uncovenanted officer should be appointed to any post on this list either until it had been ascertained from the Government of India that no covenanted officer was available for it; and No. III, collateral charges.

2. An application was recently made to the Government of India, owing to the temporary scarcity of commissioned medical officers, for permission to appoint a Military Assistant Surgeon temporarily to act as Superintendent of a Central Jail—an appointment which, under the orders in Home Department Resolution, Nos. 10-Jails—610-23, dated the 9th November 1892, is reserved for commissioned medical officers. With a view to saving correspondence, it was at the same time suggested that Local Governments might be empowered to appoint uncovenanted medical officers serving under them to charges reserved for commissioned medical officers in privilege leave vacancies when there are no commissioned medical officers locally available to fill the acting appointments, and after it has been ascertained from the Government of India that no commissioned officer can be made available for the province.

3. This suggestion commends itself to the Government of India, and it has accordingly been decided that, in cases of extreme urgency, Local Governments and Administrations may appoint uncovenanted medical officers, already in the service of Government, Military Assistant Surgeons, or selected Civil Assistant Surgeons, temporarily to posts in Classes I and II, which, under the Resolution of 31st October 1884, are reserved for covenanted medical officers, provided that there are no covenanted medical officers in the province available at the time and that it has been ascertained from the Surgeon-General with the Government of India that none can be supplied to fill the vacancies.

Order — Ordered that a copy of the above resolution, with a copy of the resolution of the 31st October 1884, be forwarded to the Governments of Madras and Bombay, with reference to the lists of medical appointments which accompanied the letter from the Home Department, No. ^{203, dated the 21st May 1885} ^{110, dated the 25th March 1885}.

Ordered that a copy of the above resolution be forwarded to all other Local Governments and Administrations for information and guidance.

Ordered, also, that a copy be forwarded to the ^{Department of Finance and Commerce} ~~Surgeon-General with the Government of India~~ for information.

*Extract from the Proceedings of the Government of India, in the Home Department (Medical),—
under date Simla, 10 October 1884.*

Read—

Financial Department Resolution No. 833, dated 31st May 1870.
Ditto ditto No. 2185, dated 14th August 1876.
Ditto ditto No. 3816, dated 31st October 1876.
Ditto ditto No. 4177, dated 31st October 1877.
Ditto ditto No. 3706, dated 26th October 1878.
Home Department Resolution Nos. 6-167—179, dated 16th March 1881.

RESOLUTION.

In supersession of the orders contained in Financial Department Resolution No. 833, dated 31st May 1870, and subsequent orders, the following are declared to be the appointments available for medical officers of the Indian medical service, both covenanted and uncovenanted, in the Bengal Presidency. These appointments are divided into three classes—No. I, appointments to be held by covenanted officers only, and to which uncovenanted officers are on no account to be posted; No. II, appointments to be held either by covenanted or uncovenanted officers, as may be found most convenient, it being understood, in accordance with paragraph 9 of Financial Department Resolution No. 4177, dated 31st October 1877,* that no uncovenanted officer shall be appointed to any post even in this list, until it has been ascertained from the Government of India that no covenanted officer is available for it; No. III, collateral charges.

For the future, uncovenanted medical officers will all be borne on one list for the Bengal Presidency, and additions to this class will be made only according to rules to be prescribed by the Government of India.

ORDER.—Ordered that a copy be forwarded to all Local Governments and Administrations (except Madras and Bombay) for information and guidance.

Also that a copy be forwarded to the Department for information.

No. 876-888

Extract from the Proceedings of the Government of India in the Home Department (Medical),—under date, Calcutta, the 12th December 1895.

READ—

Home Department Resolution Nos. ^{17-Medical}₄₈₁₋₈₄, dated the 31st October 1884.
Letter from the Government of the Punjab, No. 384-S., dated the 16th July 1895.
Home Department letter to the Government of the Punjab, No. 869, dated the 5th September 1895.
Letter from the Government of the Punjab, No. 897-S., dated the 24th September 1895.

RESOLUTION.

UNDER the orders contained in the Home Department Resolution of the 31st October 1884, cited in the preamble, the appointments available for Medical Officers of the Indian Medical Service, both Covenanted and Uncovenanted, in the Bengal Presidency, were divided into three classes—namely, No. I, appointments to be held by Covenanted Officers only, to which Uncovenanted Officers were on no account to be posted; No. II, appointments to be held by Covenanted or Uncovenanted Officers, as might be found most convenient, it being understood that no Uncovenanted Officer should be appointed to any post on this list either until it had been ascertained from the Government of India that no Covenanted Officer was available for it, and No. III, collateral charges.

2. An application was recently made to the Government of India, owing to the temporary scarcity of Commissioned Medical Officers, for permission to appoint a Military Assistant Surgeon temporarily to act as Superintendent of a Central Jail, an appointment which, under the orders in Home Department Resolution Nos. ^{10-Jails}₆₁₀₋₂₃, dated the 9th November 1892, reserved for Commissioned Medical Officers. With a view to saving correspondence, it was at the same time suggested that Local Governments might be empowered to appoint Uncovenanted Medical Officers serving under them to charges reserved for Commissioned Medical Officers in privilege leave vacancies when there are no Commissioned Medical Officers locally available to fill the acting appointments, and after it has been ascertained from the Government of India that no Commissioned Officer can be made available for the Province.

3. This suggestion commends itself to the Government of India, and it has accordingly been decided that, in cases of extreme urgency, Local Governments and Administrations may appoint Uncovenanted Medical Officers, already in the service of Government, Military Assistant Surgeons, or selected Civil Assistant Surgeons, temporarily to posts in Classes I and II, which, under the Resolution of 31st October 1884, are reserved for Covenanted Medical Officers, provided that there are no Covenanted Officers in the Province available at the time, and that it has been ascertained from the Surgeon-General with the Government of India that none can be supplied to fill the vacancies.

ORDER.—Ordered that a copy of the above Resolution, with a copy of the Resolution of the 31st October 1884, be forwarded to the Governments of Madras and Bombay, with reference to the lists of medical appointments which accompanied the letter from the Home Department, No. ^{209, dated the 21st May 1886}_{110, dated the 26th March 1885}.

Ordered that a copy of the above Resolution be forwarded to all other Local Governments and Administrations for information and guidance.

Ordered, also, that a copy be forwarded to the ^{Department of Finance and Commerce}_{Surgeon-General with the Government of India} for information.
