GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From J. P. HEWETT, Esq., C.I.E., Secretary to the Government of India (Home Department—Medical), to the Chief Secretary to the Government of Madras, dated Calcutta, the 23rd January 1896, No. 1, Medical—43.

In Statement V, Part I, appended to the Provincial Reports on Charitable Hospitals and Dispensaries, there is at present no column showing the expenditure on account of nursing establishments, such charges, where incurred, being included in the column headed "Compounders, dressers, &c." Expenditure on nursing establishments has of late years become an important item, more especially in the hospitals in Presidency Towns, and the Governor-General in Council considers it desirable that it should be shown in a separate column in future. I am accordingly directed to request that, with the permission of His Excellency the Governor in Council, orders may be issued to secure this object.

2. I am to add that, in case there is any difficulty in making the necessary alteration in the form of the return for the year 1895, the information may be given in a foot-note to the statement.
