SIR.

With reference to Government Memorandum No 2848, dated 26th November 1895, requesting that enquiries may be made as to whether the relatives or friends of the sepoys mentioned in the list there-with sent, are willing to receive and take care of them, I have the honour to report as follows:-

2. No 1 in the list - Ramaswami Padayachi.

As the relatives of this sepoy live in Gudalur, the District Magistrate of South Arcot, was requested in this office letter Ref on Cur No ¹⁴⁵¹_{Magr} dated 6th December 1895, to make the necessary enquiries and report the result to Government.

No

No 2. Muthuswami Padayachi. Enq is made in respect
of this man show that there are no f ds or relatives who
will receive and take care of him.

No 4. Doraiswami Thevan. It is re ed that the leper's
father Chithambara Thevan is an t man of 75 years
of age. He says that he is unable to m tain his son as
he himself lives by tending Cattle, but that, should his
son return to him, he would feed him from his own
slender resources.

No 3. Kuppuswami Vanniyar. There is no individual
of the name of Nalabinda Vanniyar in the Kāli Kovil
Street Valanjinan referred to in Column 5 of the State
-ment and there is nobody in that Street who knows
the leper.

No 10. Muthu Pullan. There is none in Kandiyur
willing to take care of this leper. It would appear
that there are several persons in Kandiyur of the name
of

and of the list of lepers which accom-
panied it will be forwarded to the
Surgeon General for very early report
in regard to paragraph 2 thereof.

Replies received from District
Magistrates show that there are no
relations of the lepers traceable in
the Districts of North Arcot, South
Arcot and Coimbatore and, although the
District Magistrates of Tanjore and
Madura have not yet communicated the
result of their enquiries, it is very
probable that the search in those
districts will also prove fruitless.

Under what obligation are we
to receive these Lepers back: &
what evidence have we that they
proceeded to the Straits from
this Presidency?

S.K. 5/6

H.M.

I thought so. I have therefore
altered the draft. There is
no reason why we should
take them into our leper
hospital. We know
nothing of the cards in
which they left.

S.K.

① none apparently.
② only the particulars
given in the statement
with C. 3916. They must
have been free emigrants
so there is no call on any
one to repatriate them.
India asks whether there
is any objection to those
who have no friends
being sent back - hence
the ref. to S. G. to ascertain
if there is any account
available for them.
