To

His Excellency The Governor in Council, Fort St. George.

MOST RESPECTED SIR,

I, the undersigned Baller of the Government Press, Madras, beg to bring the following lines to your Excellency's kind consideration with the humble and confident hope that my grievances may be redressed.

2. I was dismissed from my service on the score of irregular attendance in spite of my long and faithful service of over 12 years in the department, and I therefore beg you will take into your kind consideration the circumstances that tended to my irregular attendance, and mete out even-handed justice by inflicting a mild punishment other than that of dismissal.

3. The printing work of the Government Press has of late increased to such an extent that I was asked by the Superintendent to give overtime and work from 8 A. M. to 10 P. M. almost everyday but in submitting to the above order of the Supt., I failed to have my meals and sleep at the proper time, and so health has been much affected, and I was obliged to stay away for some days in every month to recruit my health. In the absence of any long vacation in the office and with my overwork, of course, I was obliged to be irregular in my attendance.

4. When I and other workmen of my class repeatedly represented the matter to the Superintendent, he made me understand that, as soon as new machines arrive from England, the work will be greatly facilitated, and there would be no necessity for overwork.

5. Even after the machines arrived, the nature of the work further increased, and I was to work over time as usual which will be amply testified if you will kindly peruse the over time monthly Bills of the Government Press.

6. In consequence, my health being greatly impaired, I was obliged to be somewhat irregular, yet recovering soon, I joined the office and after I have been working there regularly for a month, I was dismissed from the services.

7. After my faithful service of over 12 years, the idea of my dismissal on score of irregular attendance, is really heart-rending. And out of 10 employees dismissed for irregular attendance four were recently reinstated on their appeal to your Excellency although they have stayed twice as many days as I have stayed.

8. I therefore request that your Excellency will be pleased to consider the above circumstances and redress my grievances by ordering the Superintendent to deal with me mildly, to *rescind* the present order of dismissal, and inflict a *condign* punishment other than that of dismissal, considering the reasons above mentioned. I beg to append herewith the order of the Superintendent on my application for re-entertainment in the service since my dismissal.

For which act of kindness I shall ever pray.

I beg to remain,
Most Respected Sir,
Your most obedient servant,
A. N. S. M. M. M. M.

OFFICE NOTE.

In forwarding Larungapany's petition addressed to His Excellency the Governor in Council, the Superintendent, Government Press, that it was received in the Press on 29th October last, and as copies of previous papers in connection with his dismissal were not enclosed, the petitioner was sent for. He appeared on the 7th November and stated that this copy was sent for the information of the Superintendent only, as he had forwarded a similar copy ^{to Government} with the dismissal order by the Chief Secretary (see endorsement on petition).

2. Larungapany is one of the Govt. Press employees who petitioned to the Chief Secretary against his dismissal and whose petition was submitted with office note no. 1 dated 8th August 1895 and directed by the Chief Secretary in office note no. 1990 Public dated August 1895. The following is Chief Secretary's order on Larungapany's case.

Read petition from Larungapany, (2) Larungapany.

The petitioner informs me that he ^{sent} his petition to Govt. with copy of order of dismissal passed by the Chief Secretary on his petition for reinstatement - He says this is only a copy for my information.

R.H.

7/11/95.

The cause is overwork and ill health
consequence. This I cannot accept,
the statement sent up by the
intendent shows that P. Stajich
was over and a month absent
himself without leave for $37\frac{1}{2}$ days,
amgachany for 150 days and G.
thatharethy for 80 days."

"All these men had due warning if the last two had been previously missed for a like offense. They knew the work was like and if they were dissatisfied with the conditions their service they could have resigned. private employers would retain who absented themselves after warning as they did, and there is reason why the practice in a military Establishment should be revised."

4. petitioning is one

"I therefore confirm the order
appealed against, and dismiss
their petitions."
