noted that, as the majority of pilgrims usually take out passports at Bombay, nine does not represent the total number who actually went on pilgrimage from the district. Of the nine, one returned, six died en route, while the remaining two did not come back.

5. The District Magistrate of South Canara reports that owing to the general poverty of the Muhammadans in that district, very few are in a position to undertake a pilgrimage to Mecca, while those who do usually obtain their passports at Bombay and do not appear in the local returns.

6. The attention of the District Magistrate of North Arcot and of the Protector of Emigrants will be invited to the remarks in paragraph 7 of G.O., No. 97, Public, dated 3rd February 1891.

Sir,

Referring to the orders of Government in the
Public Department, dated 17th April 1883, and
16th August 1884, Numbers 789 and 1718 respectively,
I have the honor to report that during the
season ending 30th September last, only a single
passport was, on application, issued in this
district to a pilgrim proceeding to the Hedjaz.

2. The Muhammadans of this District are
generally poor and very seldom undertake a pil-

To

The Honble Mr. J. F. Price C.S.

CHIEF SECRETARY TO GOVERNMENT,

PUBLIC DEPARTMENT,

Fort St. George,

SIR,

I have the honor to state that
no pilgrims proceeded to the Hedjaz from
this port during the year ending 30th September
1895.

In the arrangements that had been
made with Messrs. Cook & Son for the conveyance
of pilgrims to the Hedjaz (Consent
order dated 28 January 1895 No 67) and
again consequently, as the date for sale to
intending passengers was nearer, it was
thought that the usual report was not called for.

The marginal table
exhibits the numbers
for the last 6 years.

The total number of
passports issued during
year under review was
identical with that for 1894
but whereas the numbers for
the town of Madras rose
from two to three, and the

and the Kanyakumari District from
 out to sea; the number from
 Malabar fell from sixteen
 to nine. With the exception
 of one in South Canara, the
 issues were confined to the
 two districts mentioned
 above.

3. The large decrease
 in the ^{number} of passports issued
 in Malabar, which was
 noted on in the previous year,
 continued. J. C. Dist. Magistrate
 explained that,
 owing to the outbreak of
 cholera in '94, the passport
 rules were worked very
 rigidly: ^{and} further that the
~~the~~ was not Hajj & Kbar
 it didn't fall on a Friday.
 As however the front ~~the~~

~~cases~~ ^{occurs} only once in
 about ten years, this ex-
 planation does not seem
 to be very much to the
 point. ~~that the passport~~

 represent the total number
 who actually went on pil-
 grimage from ~~the Malabar~~
