FOR ORDERS.

X. H. is his first business

His plain that we cannot give him
copy of the Comm's report. That
belongs to the S. of S. not to us.
As regards S.O. 1575-1115, in
31.1.95

para 2 thereof we say that it will
be for the S. of S. to decide whether the
remarks in para 1 shall be sent
Comm. & D. S. - I presume para 2
went to him. Anyway we should
adhere to what we then said. If he
wants copy of our remarks he must
apply to the S. of S.

The particular papers
asked for by Surg Major
Clarence Smith are
marked with red tapes.
He is now publishing in
Gostenco in the Standard
the evidence given before
the Commission and
anything further he may
get will undoubtedly
be similarly treated.
The S. of S.'s decision is
now final and the Govt.
would withhold any
further appeal unless
it contained new and
important matter,
which seems highly
improbable.

35B. The papers are both complete and

It just goes in the case however
to know just in others and the
mingle from which it has most
of its work in the world is
has a time and here copies of say the
papers will have a better understood
