On the period of five years for which improvements are sanctioned to three Roads in Ab and Simi, I have the honour to address the Chief Commissioner on the subject of the continuance of my present pay.

Owing to the bad health that I have experienced here, particularly Cattle, of late, I am unwilling to accept permanently my present

Commenced with the Madras Presidency, where the climate was too trying to my constitution.

I understood, however, that I would not be continued to this Administration for my services to be replaced at present, but, if it could be arranged with the concurrence of the Madras Government that I might have the option of returning to that Presidency after an extended period of three hrs I should be willing to continue for another term.

If such an arrangement were to with the Chief Commissioner's approval, I beg

beg to inquire what term of extension of service would be considered suitable in my case.

Copy of a letter from the Chief Secretary to the Chief Commissioner, Central Provinces, No. 503 dated the 24th January 1896, to J. Walker Esq. C.S. Deputy Commissioner, Seoni.

In reply to your letter of 22nd December last, I am to say that it would be for the convenience of the Administration if you would agree to remain attached to the Central Provinces for a further term of three years.

2. I am to ask you whether you

On receipt of your reply the Government of Madras will be asked if they are willing to allow the proposed extension of your term of service in these Provinces.

the terms stated in the letter of the Government of India in the Home Department, to the address of the Government of Madras, No. 520 dated 3rd October 1890 which requested that the services of an officer of the Indian Civil Service might be lent to this administration for a period of five years on the understanding that the officer lent would be entitled to return to his own Province at the expiration of the five years, or earlier if he could be spared.

3. That period of five years has now expired, and Mr. Walker would, in accordance with the understanding referred to, be now returning to Madras; but he has expressed his willingness to continue for a further period of three years attached to these Provinces provided that he may still be permitted to return to his own Province at the end of that time.

Owing to the numerous retirements which have taken place lately in these Provinces and to the necessity of deputing Officers to Settlement duty the Chief Commissioner has some difficulty in finding sufficiently senior officers for the charge of Districts without [illegible] urgent requests for leave, and he would esteem it a favour if His Excellency the Governor in Council could permit Mr. Walker to remain attached to the Central Provinces for the further period of three years on the understanding stated.

I have the honour to be,

Sir,

Your most obedient Servant,
