PUBLIC (RECORDS),

No. 20.

TO HIS EXCELLENCY THE RIGHT HONOURABLE THE GOVERNOR
IN COUNCIL FORT ST. GEORGE.

My Lord,

I have received the interesting Report of the Superintendent of the Archaeological Survey in the Madras Presidency for the year 1894-95, which was forwarded with your Secretary's Letter of the 23rd July last.

2. In despatch No. 18 Public (Records) dated 20th September 1894, Sir H. Fowler commented on the inferior manner in which some of the photographs accompanying the previous year's Report had been taken. Some of those that are sent to illustrate the present Report are also very defective, especially those numbered 252, 262, 265, and 280. With a view to improvement in this respect I would request that attention be directed to the photographs taken by Mr. Smith in the North Western Provinces as examples of the standard that should be attained in work of this nature.

I have the honour to be

My Lord,

Your Lordship's most obedient humble Servant,

George Handley
