GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—again the following paper :—

G.O., R. No. 150, Public, dated 4th February 1896.

ABSTRACT.—Drawing the attention of the Board of Revenue to the remark of the Collector of Bellary that he had not received the results of the July examination of Assistant Collectors (G.O., No. 705, Public, dated 27th August 1895) up to the 14th January 1896.

READ—also the following paper :—

Proceedings of the Board of Revenue (Land Revenue), Mis. No. 886, dated 20th February 1896.

Read—G.O., R. No. 150, Public, dated 4th February 1896.

Resolution—Mis. No. 886, dated 20th February 1896.

The Board begs to state, with reference to paragraph 2 of the Government order read above, that since April 1894 the Proceedings of Government communicating the results of the half-yearly examinations of Assistants are merely recorded in this office. Before that date it was usual for the Board to communicate the results to the Collectors concerned, while the Secretary to the Board of Examiners intimated the results to the examinees. Collectors should, no doubt, continue to be informed of the results of the examinations undergone by their Assistants, but the Board believes there will be some curtailment of work if the communication is made from the Government office direct. It accordingly recommends that this subject may be added to the two others mentioned in paragraph 5 (2) of Board's Proceedings, No. 459 L.R., dated 16th December 1895, regarding the curtailment of official work.

Resolution

The Board begs to state, with reference to para 2 of the G.O. read above that since April 94, the Proceedings of Government communicating the results of the half yearly examinations of assistants are merely recorded in this office. Before that date it was usual for the Board to communicate the results to the Collectors concerned while the Secretary to the Board of Examiners intimated the results to the Examiners. Collectors should no doubt continue to be informed of the results of the examinations undergone by their assistants but the Board believes there will be some curtailment of work if the Communication is made from Government office direct. It accordingly recommends that this subject may be added to the two others mentioned in para 56 of G.O. No. 459 dated 16 December 1895 regarding the curtailment of official work.
