Budget Estimate of 1896-97 for Volun-
teer buildings, which was received ^{on the}
28th inst ~~from~~ from the Lt: General Commanding the
Forces, Madras.

W
28 Feb

In regard to the application
made by the Nilgiri Volunteer Rifles,
am to state that the site previously
used as an ^{ex} exise yard attached to the
European prison at Ootacamund has been
granted by this Govt. to the Corps. The
Mysore Govt. has given the Bangalore
Volunteer Rifles a site at Mysore for
the proposed armoury and Sergeant Instru-
quarters which are much needed. Gwing to
at that station
the demand for houses being very great,
considerable difficulty is experienced
in providing a site the Instructor with
suitable and permanent quarters. It is
therefore very desirable that ^{a residence} quarters
should be constructed for him and also
that a suitable armoury should be pro-
vided for the Corps.

A similar application on behalf of the S.M.Fy. Volunteers was submitted last year but the Govt. of India intimated that funds could not be allotted at the time. The Govt. of Bombay was thereupon informed by this Govt. that a final reply could not be given in regard to the acquisition of a certain land at the village of Betigiri, Gadag Taluk, Karwar Dt. as a site for the quarters.

In regard to the application submitted by the Madras Volunteer Guards, I am to invite attention to the Proceedings of this Govt. No. 1030, ^{Pub.} d/ 18-12-95, which state, with reference to para: 3, that the question of the grant of a site within the grounds attached to the Govt. House, Madras, is at present engaging the attention of the Revenue authorities. The necessity for a drill hall and connected buildings for this Corps is very pressing and I am to strongly recommend that a liberal grant may be made to enable the Corps to provide a long felt want.

In support of the application made by the S.M. Fy. Volunteers, it has been reported that it is impossible to procure a suitable ^{hall} building at Waltair for the Sergeant Instructor, nor can the authorities lend a building for the purpose. A sum of Rs. 5,000 has been allotted in the current year's budget estimate for armouries etc. for the S.M. Fy. Volunteer Corps at Trichinopoly & Madras and the grant now asked for is the ~~portion~~ balance of the amount required

for the completion of the buildings in question. An additional grant of Rs. 3,000 for the construction of an armoury and magazine at Pondicherry is also applied for.
6. A similar application ^{to that now made} by the Malabar Volunteer Rifles was submitted last year, but no grant was sanctioned.
