Public, dated 25 September 1895,
I have the honor to state that the
number of copies of ordinary
G.Os furnished to my office is
6 and not 8 as entered in the
appendix to the G.O. This number
as well as 25 copies of Circular
G.Os are absolutely necessary

communication to district
Registrars.

2. It is not necessary to send
to the Registrar of Joint Stock

Ordinary G.Os. One copy is suff.

ficient.

3. As regards the number of copies sent to the Registrar General of Births, Deaths and Marriages. I beg to state that 6 copies of ordinary G.O.s are necessary. There are at present 119 Registrars of Births and Deaths under Act VI of 1886 and 67 Marriage Registrars under Act XI of 1872 to whom Circular G.O.s have to be communicated. As the number of officers will vary from time to time, I am of opinion that if 6 copies are sent to my office and the Registrar General is permitted to put himself in communication with the Superintendent of the Government Press and obtain any additional number of copies that may be required for circulation from time to time.

I have the honour to state that the printed Proceedings of Government communicated to this department the number ordinarily sent is six. This number invariably is in excess of requirements. I request that you will be pleased to diminish this number ordinarily to three. At times it may be found necessary to be supplied with a few additional copies of such of the Government Orders as may have to be communicated to the officers in charge of works. The orders principally referred to are those in regard to Municipal Budgets and administration reports, District Board budgets and administration reports and Inspection Notes of the Sanitary Commissioner. Chs. 3455. The Govt. Secretary
requests that only copies of
only such orders as actually
concern him or his duties may
be sent him. He explains
that he has no Government
establishment, so that 800
of otherwise general applications
do not affect him. This re-
quest may be complied with.

C 3620 + 3479 The supply
for the Registrar of Joint Stock

Company has been paid
at the figure mentioned by
the B. of R. in preference
to that mentioned by the
himself.

On the 24th. The T. & T. Bank
asked for 2 copies of the
instructions regarding
the grant that his office
has been to see the papers
about immediately. This
is not a job preferred by
the T. & T. Bank and may
not be noticed.

On the 26th & 27th. The
of the Bishop and the
Bishop are exceedingly
impatient and will be
troublesome leaving out
it is not that as
the simplest way out of
the difficulty. They should
both receive the supplies to
any one of them, and that
they may each get their
copy.

Certain officers would
have taken the opportunity
to raise the question of the

1721
supply of papers other than
government orders. These
suggestions should, it is
thought, receive separate
attention: -

In C.O. 3455 the Joint
Selector requests that the
supply of various "blue
books" as reports and statistics
may be regularly be continued
In C.O. 3455 there

Troupe Translator asks that
he may be furnished with
2 copies of bills and acts
which may be sent to
him for translation
