With reference to your foot note reference on C.No. 2876 of 7th November 1895 on copy of letter No. 5345 dated --- 31st October 1895 of the Executive Engineer Bellary Division I have the honor to submit herewith Yadast No.1 dated 28th December 1895 addressed to the Tahsildar of Tadpatri Taluk, *by the temple committee of Tadpatri* and to report that the committee has resolved that the Government might undertake the task of removing the brick work on the "Gopuram" of the Chintalarayaniswami temple, but that the materials should be utilised for the benefit of the temple -- itself and that the members are afraid of danger to the temple and its gate if the "Gopuram" be demolished. The Committee is not capable of doing the work.
