Copies of Mr. Thomson's letter N° 835 of the 12th Nov. last and of the list of lepers which accompanied it will be forwarded to the Surgeon for very early report in regard to para 2 thereof.

Replies received from the District Magistrates show that there are no relations of the lepers traceable in the districts of N. Arcot, S. Arcot & Coimbatore and, altho the District Magistrates of Tanjore & Madurai have not yet communicated the result of their enquiries, it is very probable that the search in those districts will also prove fruitless.

Respectfully

Chief Secretary
