C. Nos 722 348, 454, 632 8722.

FOR ORDERS.

With his No. 46 d/ 27-1-96, the S.G. submits an application for one year's furlough from Surgeon Major A.J O'Hara with the remark that that officer is eligible for two years' furlough and has had ~~no furlough~~ ^{none} since November 1884 and he adds that the number of absentees on furlough is below the authorized percentage.

2. With his No. 58 of the 30th January, the S.G. submits an application from Surgeon Major Reeves ^{for 3 months p.l.} and states that unless an additional medical officer is placed at his disposal, it will not be possible for him to arrange for the relief of Surgeon Major Reeves.

In his No. 138, d/ the 17th Instant, Dr Sibthorpe reports that unless the services of two medical officers are given by the Govt. of India it will be impossible for him to relieve Surgeons Major O'Hara and Reeves except by proposing the employment of Asst: Surgeons to act in appointments reserved for Commissioned Officers and he states that he expects to receive ^{four} additional officers in the

next.

3. In its India's telegram of the 25th Instant the Home dept: intimated that besides Surgeon Lt: Gabbett, who is being sent from Cuttack to relieve Surgeon Capt: Molesworth in view to his joining the Jail dept:, no other medical officers can be spared at present.

4. As it is undesirable that Asst: Surgeons should be placed in appointments reserved for Commissioned Medical Officers, India's refusal amounts to a stoppage of all leave until the return of officers now on leave. From the list put up it appears that Surgeon Capt: Hall is due on the 13th March '90 and that Surgeon Major Thomson and Surgeon Capt: Crawford are both due on the 27th of March. From ^{private} ~~additional~~ information, however, it is believed that both of these officers will seek an extension of leave. ^{on M. C. said that Surg Capt Hall will not return to India.} The next officer due is Surgeon

Major Bannerman on the 15th April '90.

It is believed that Surgeon Lt:-Col: Browne will return in time to relieve Surgeon Lt:-Col: Price who has applied to retire from the 1st of April.

5. It is submitted that the telegram from the Govt of India may be communicated to the S.G with the intimation that the Govt. of India is unable to sanction any application for leave in the absence of officers to fill the vacancies.

I know nothing as to the information referred to in Para 4 of the Note.

Doctors like other officials require a rest
— indeed if they perform their duties efficiently
they want more than others. Last
year Dr. Reeves wanted leave but could
not have it.

I do not see why such is objectionable as a temporary measure to put Anti-Rugans into appl. reward for Commissioned Officers. As soon as Officers of the latter class are available they can be turned out.

Advantage for instance is small and
 very distinct: if I am not mistaken
 it was for some time in charge of
 the An. Surgeon - Kinnock certainly
 was. Godavari might for a time
 get on with only one Commissioned
 Medical Officer, Kistna does - there

I shall be better to withdraw the second
 medical officer where there is one in a district
 than to place a district in charge of an Asst
 Surgeon. So far as I know only one district
 has a second med. officer at present, viz,
 Godavari with Dr. Sarkies at Coon - all
 the other second med. officers' appts. have been
 at Guntur, Cannanore, Chittoor, Bellary
 & Chalcopur are already filled by Asst Surgeons
 there is Coonoor, but the doctor can't be
 moved there; and Cochin, but Dr. Sam-
 berton has obtained furlough & I
 don't think a comm. officer. best to
 his place. Dr. Sarkies might be

in however the Central Jail at
Rafanandri but then where the
Dr. had a Sanitary Officer in on
here
was in charge of an Asst Surgeon,
and Camanore Central Jail
under the care of an Asst
Surgeon.

May the S.G. be told that unless
he can make some temporary
arrangement such as that suggested
the leave asked for cannot be
granted? The worst of it is that
he would have difficulty in finding
Asst Surgeon but he might perhaps
be able to manage matters.

LD
28/2/96.

Moved from Cocanada - In the
rest, if men can't wait for their
leave until Army gives the add. men
in May, the S.M. & S.O.s must be moved
from minorities of the less important dis-
tricts, such as Anantapur, from places where
there are other S.M. medical officers, such
as Dindigul & Bellary & then places be
taken by Asst Surgeons - no other course
possible.

I agree so do I. We must
do all we can to
3/3/96 let the medical
officers get the leave they are entitled to.
