SEVENTY-SIXTH ANNUAL REPORT

OF THE

Friend-in-Need Society,

For the year 1895.

The year closed with a balance of Rs. 645-8-8 in favour of the Society. The total receipts amounted to Rs. 29,084-3-9, and the expenditure to Rs. 28,438-11-1.

The principal items, compared with those for the preceding year, are as follows:—

	1894.	1895.	Increase.	Decrease.
	Rs.	Rs.	Rs.	Rs.
RECEIPTS.				
Total receipts	29,340	29,084	...	256

Grant in aid of Parish almsgiving	1,584	1,449	...	135
Office establishment	954	992	38	...
Miscellaneous	3,592	1,560	...	2,032

The diminution, both in receipts and disbursements, under the head "Miscellaneous" was due to the discontinuance, in great measure, of loans to Chelsea pensioners owing to

the refusal of the Paymaster of Pensions to collect the sum lent to these men by the Society. The matter was alluded to in the last Annual Report.

The district collections and donations exceeded those of the previous year by Rs. 300.

The increase of church offertories is encouraging.

Out-door relief.—Excluding those helped through the Workshops there were, on the 31st December 1893, 193 out-pensioners, against 205 at the end of 1894. The actual expenditure under this head, inclusive of Rs. 1,647 paid through the Ladies' Committees, increased by Rs. 127. Many of those who were granted temporary pensions during the year had ceased to receive aid in December. A list of individuals so helped will be found in an appendix.

In-door relief.—The number of inmates in the Home on the 31st December was 166 against 142 on the corresponding date in the previous year. Seventy two persons passed through the Home during the year. There were 5 deaths—three of men aged 85, 76 and 68 years respectively, one of a woman aged 70 and one of a child two years old. The expenditure on the Home rose from Rs. 9,279 to Rs. 10,934.

The health of the inmates has been good. Surg.-Lieut. H. Hawkes is still in medical charge.

The Home has been regularly visited by members of the Home Committee. The Chaplains of Vepery hold Divine Service in the Schoolroom for members of the Church of England. Several ladies also hold religious meetings which are largely attended by the female inmates.

The Committee has to record, with great regret, the death of Mrs. Foulis who, for many years past, was a regular weekly visitor of the Home.

The Home received many special gifts of money, clothing,

books, cigars, &c. A complete list of donors will be found in an appendix. To all those who so kindly remembered our poor we desire to tender our most grateful thanks.

Towards the annual Christmas and New Year's treats there was collected a sum of Rs. 678, which was supplemented by a grant of Rs. 100 from the Central Christmas Charity Committee. The total expenditure was Rs. 884-1-9, viz., Rs. 257-4 on shawls, Rs. 324-11-3 on clothing and Rs. 302-2-6 on the treats.

Our thanks are due to Mr. C. E. Phipps who kindly arranged for the supply, at a very moderate rate, of 150 light wooden cots to replace the bamboo charpoys hitherto in use.

The repair of the Home buildings, long put off for want of funds, has had to be taken in hand, as it was feared that further delay might lead to a collapse of part of the premises. It is estimated that about Rs. 2,000 will be needed for this work. A special appeal for funds was made by the President through the local press. The response has not been very satisfactory. As the outlay on the upkeep of the buildings will have to be met out of the general funds of the Society, it is hoped that subscribers will kindly remember this when sending in their contributions.

Mr. and Mrs. Crummey, the Master and the Matron and Mr. Clarke, the Schoolmaster, have continued to discharge their duties very satisfactorily.

The Society paid for the maintenance of 32 children at the following institutions:

Mrs. Firth's Schools	...	19 girls and 2 boys.
The Presentation Convent	...	3 girls.
The Industrial School	...	2 boys.
St. Patrick's Orphanage	..	6 boys.

The expenditure under this head was Rs. 1,480.

The mendicity ticket system.—Two hundred and one mendicants were referred by subscribers to the Society for relief. Their cases were disposed of as follows:—

Admitted to the Home	12
Given work in the labour yard	34
Given assistance in cash	61
Provided with railway or steamer fares..	37
—	144
Ineligible for relief under the rules	3
Found undeserving of help	9
Not helped on refusing to work	22
Failed to appear before Hon. Secretary.	23
—	57

A large number of destitute persons applied direct to the Honorary Secretary for relief and were assisted according to the circumstances of each case. The number of men working in the labour yard has averaged 25, the amount paid to them being Rs. 1,269-9-6 against Rs. 919-12-0 in the previous year. There was also spent on casual relief, food tickets, railway and steamer fares the sum of Rs. 1,596-1-6 against Rs. 1,296-6 in the previous year. It will thus be seen that considerable sums have been disbursed in connection with the mendicity ticket system and subscribers may feel sure that suitable assistance will be given to all who are referred to the Society for aid. Even in those cases in which members may be specially interested and towards which they are willing to give special contributions, it is always safer to allow the Society to be the medium of their charity. The Honorary Secretary sees applicants for relief at the Home on Mondays, Wednesdays and Fridays at 7 A.M., and he is always willing to institute enquires on behalf of members in respect of any individual seeking assistance, and to report the result.

The Women's Workshops.—The reports of the Ladies' Committees are attached as appendices. The Mount Road Committee "is glad to report continued success." The Egmore Committee reports "that the past year has been a successful one financially and that there is now no cause for anxiety as to the position of the workshop." From St. Thomé we learn that "the sale of work was greater than it was last year and that the workers received more by earnings." The Committee of the Black Town Workshop was re-constituted in June last. This Workshop has not been as successful as the others, but the report of the Committee is hopeful that, with the arrangements now in force, larger orders will be received in the current year.

A sewing class, conducted by Mrs. Rowland, continues to be held twice a week in the Christ Church Schoolroom. Twenty eight women and ten girls attend this class, towards the upkeep of which the General Committee makes a grant of Rs. 180 a year.

The following figures show the number of women employed in the Workshops, with details as to the amounts received by them.

Workshop.	No. of Women employed.	Earnings.	Cash and food from charity branch.	Grant for casual relief by General Committee.
		Rs.	Rs.	R
Mount Road	71	2,432	631	627
Egmore	70	1,972	489	576
Black Town	32	548	206	372
St. Thomé	21	789	302	72

The General Committee would respectfully invite the attention of Government to the following extract from the report of the Egmore Ladies' Committee in the hope that orders may be passed permitting the Women's Workshops

to continue to undertake the class of Government work that has been entrusted to them in past years.

"The recent orders of Government in favour of the more extended use by official institutions of articles manufactured in its jails has considerably interfered with the work usually done by the Workshops, and it is feared that the result will be more severely felt in future. Such work is usually done by what are known as the coarse-workers who are not competent to execute the class of orders generally received from the public."

Annual Meeting.—His Excellency Lord Wenlock presided at the seventy fifth Annual Meeting of the Society, which was held at the Victoria Public Hall on the 26th February 1895.

Charges during the year.—By their departure from Madras the General Committee lost the services of Colonel H. W. H. Cox, the Rev. A. H. B. Brittain, the Rev. F. E. Cameron, the Rev. J. Heron and the Rev. M. F. Noronha. Death removed from our midst two of our oldest and staunchest supports—Mr. James Gray and Captain C. H. Rowland.

Office bearers.—The Hon'ble Mr. A. T. Arundel, I. C. S. Mr. B. H. Chester, M. A., and Mr. E. C. Woods-Scawen have continued in office during the year as President, Honorary Secretary and Honorary Treasurer respectively.

Conclusion.—The General Committee again desires to thank the public for their continued support; the Members of the Ladies' and the Local Committees for their labours; the local Press for the gratuitous publication of the Society's advertisements; and the Chamber of Commerce for the use of its room for the monthly meetings of the Committee.

MADRAS, 29th January 1896.

RULES OF THE *Friend-in-Need Society.*

I. The Society is denominated the FRIEND-IN-NEED SOCIETY, and all Subscribers to its funds are Members.

II. The business of the Society is conducted by a General and by Local Committees, elected at the Annual General Meeting; the General Committee having the power to elect its President, Secretary and Treasurer, and to fill up any vacancies in the General or Local Committees during the year.

III. The General Committee shall consist of thirty members, sixteen of whom shall be members not attached to any Local Committee. Each Local Committee shall within one month after the Annual General Meeting elect two of its members as members of the General Committee.

IV. The General Committee shall meet once a month; five to form a quorum. A special Meeting may at any time be called on a requisition addressed to the President and signed by three Members of the General Committee.

V. The objects of the Society are the relief of the deserving poor and the suppression of mendicity; and the means employed for the attainment for those objects are:—
(1) the provision of an Asylum, called the FRIEND-IN-NEED SOCIETY'S HOME (established 1881), for the aged, infirm, and destitute, in which they are lodged, clothed, supplied with the material necessities for health and comfort, and receive a small daily allowance for food; (2) the allotment of pensions to aged and infirm persons in whose cases exceptional

circumstances exist rendering them fitter subjects for outdoor than for in-door relief; (3) the establishment of a labour-yard to which members of the Society can refer all male beggars whose profession of willingness to work they desire to test; (4) the personal investigation of all the cases referred to the Society for relief; (5) the detection and exposure of imposture.

VI. The Town of Madras, with its suburbs, is divided into seven districts, each of which is under the management of its own Local Committee; so that every case is inspected on the spot, with all the advantages of local knowledge and inquiry. The Local Committees will be guided in all their operations by the orders of the General Committee and the standing Rules here laid down.

VII. The immediate subjects of the charity of the Society are resident European and East Indian Christians of every denomination, and of both sexes; who from old age, natural infirmity, or the ordinary misfortunes of life, are reduced to distress or necessity.

Natives, having the privilege of admission to the Monegar Choultry, do not come within the plan of this Society.

VIII. Persons not usually resident in Madras but coming from a distant station for the purpose of obtaining eleemosynary aid, are not admissible to the benefits of the Society.

IX. Persons found guilty of wilful deception, or who shall refuse to work, or to allow their children to work, or who, receiving support from the Society, shall be found begging, or leading a disorderly life, shall be considered to have forfeited their claim to aid from the Society.

X. Members are requested to refer all cases for investigation to the Paymaster of the Local Committee of the District in which the applicant resides. All applications

for relief investigated by each Local Committee during the month are to be forwarded to the Secretary to be submitted at the next Meeting of the General Committee.

XI. In cases of extreme emergency, the Paymasters shall be at liberty to afford immediate temporary relief; but all such instances shall be reported to their respective Local Committees at their next meeting.

XII. The rate of allowance to all dependents of the Society shall be fixed by the General Committee with reference to a reasonable subsistence only, and no more.

XIII. The General Committee shall have the power of engaging such servants as may be found necessary, and of paying them such reasonable salaries as they may consider right.

XIV. The monthly expenditure for the ensuing half-year shall be limited by the General Committee, subject to such revision from time to time as the state of the funds may require.

XV. A General Meeting of Subscribers shall be held annually, at which shall be rendered a report of the proceedings of the Society, and of the state of the funds; previous to which the Society's accounts shall be duly audited.

XVI. All propositions brought forward, whether at the Annual General Meeting, or at the Proceedings of the Committees shall be decided by a majority of votes, the Chairman or President having only one vote and that a casting vote.

XVII. The Pension List will be revised half-yearly.

Rules for the Guidance of Local Committees.

I. Each Local Committee shall meet once a month for the payment of Pensioners and for the consideration of applications for relief—the Paymasters to be the convenors.

II. With a view to the prevention of fraud, the Local Committees shall meet on the same day, and at the same hour in each month, for the payment of Pensioners.

III. All applications for relief shall be personally investigated and reported upon by a Member of the Local Committee, and shall be forwarded by the Paymaster to the General Committee with the report and the specific recommendations of the Local Committee.

IV. The disbursements of the Local Committees are not to exceed the gross amount allotted to them by the General Committee.

Casual relief may be given to an individual for one month only. All applications for this must be made, unless in very exceptional cases, on the special form provided for the purpose, countersigned by some member of the Local Committee after personal enquiry into the case. If it is considered necessary to give the same person relief for a longer period, the case should be referred to the General Committee; and in sending in papers a month's allowance may be disbursed in advance as temporary relief.

V. An investigation into the circumstances of the paupers shall be made by the Local Committees at certain intervals, as they shall deem expedient, with a view to their identification, to the exposure of any imposition, and still further to ascertain whether by the improved condition of any of their immediate relatives, the Society may not be relieved of the expense of their support.

With this view every case should be reported upon at least once a year.

VI. Each Local Committee will record its monthly proceedings, and also keep a Register of its Pensioners, in the books supplied for these purposes.

VII. On the death of a Society's Pensioner, the Paymasters are authorized to incur the necessary expenditure for a plain funeral.

VIII. The Paymasters of the Local Committees will be furnished with blank Returns, one of which will be filled up monthly and forwarded to the Secretary for the information of the General Committee.

IX. Local Committees are particularly requested to be most careful in making payments to absentees; no such payments should be made without some Member of the Committee being able to vouch that no fraud is being practised.

REPORT

OF THE

LADIES' COMMITTEE, Friend-in-Need Society's Women's Workshop, MOUNT ROAD, For 1895.

H. K. BEAUCHAMP, Esq., PRESIDENT.

In submitting the accounts for the year, the Committee is glad to report continued success.

Industrial Branch.—The nett assets are Rs. 1,039-2-9 against Rs. 785-14-10 in 1894. This sum, however, includes a loan to the Charity Branch, of Rs. 134-9-8, which is not likely to be recovered.

During the year the average daily number of women on the Roll, has been 71; and their total earnings amounted to Rs. 2,432-2-3, or over Rs. 200 per mensem.

Charity Branch.—The Committee has to report that the Receipts still fall far short of the expenditure.

The Subscriptions and Donations were, Rs. 421-10. This with the Government Grant made a total of Rs. 625-10.

The expenditure on Dhobie for the women, education for their children, and the daily meal of curry and rice for women and children amounted to Rs. 925-4-6.

In addition to this, the workers received casual relief and Midsummer and Christmas gifts.

Casual Relief.—This relief is administered by the Committee, on behalf of the General Committee, and the funds supplied are apportioned, after careful consideration of each case. While this entails extra work on the Committee, it undoubtedly prevents over-lapping of charities.

Midsummer Gifts, &c.—Clothing was given at Midsummer, and a Treat was provided for the women by the Members of the Committee.

On the 7th October a donation of Rs. 25 was kindly sent by the Eurasian and Anglo-Indian Association. This was divided among the women and children.

Christmas Charities.—The Christmas subscriptions amounted to Rs. 208; and a grant of Rs. 55 from the Central Charity Committee made a total of Rs. 258.

The gifts of clothing and money provided by this fund were kindly distributed on the 23rd December by Her Excellency LADY WENLOCK.

The Committee desires to thank all who, by subscriptions and by work given, have assisted both the Charity and Industrial Branches of this workshop. In fact, it is due to the large out-turn of work, that the Industrial Branch has been able to supplement the short receipts of the Charity Branch and to maintain the expenditure for meals and education.

The Committee has no desire to accumulate funds: the intention is that, *beyond a fair working capital*, poor needlewomen shall benefit by the success of the workshop. So, far, as will be seen by the foregoing figures, the workshop has only succeeded in enabling each woman to earn about Rs. 3-15 per mensem. This is barely sufficient for subsistence. The Committee therefore, while grateful for the support hitherto accorded, earnestly appeals for further orders for work.

The Committee desires to place on record its appreciation of the work done by the Superintendent and Assistant Superintendent during the year.

K. M. PEEBLES,
Honorary Secretary and Treasurer.

Mrs. SOWDEN.
Mrs. D. GRANT, Hony. Secy.

The Committee is glad to be able to report that the past year has been a successful one financially and there is now no cause for anxiety as to the position of the Workshop.

The nett assets on the 1st January instant were Rs. 1,729-2-10 as against Rs. 901-2-10 on the same date of last year. Full particulars of the financial transactions of the past year will be found in the audited Balance Sheet attached to this Report.

The increase in the assets is particularly satisfactory as the operations of the Workshop have for a long time been considerably hampered for want of some capital to work

upon. It is most desirable that materials should, as far as possible, be paid for in cash at the time of purchase.

This not only results in an economy, but clears the accounts and renders the exact financial position of the Workshop more readily ascertainable.

There were 73 women on the roll at the commencement of the year, 19 left (6 to be married and 13 for other reasons) and 13 were taken on leaving 67 on the roll at the close of the year. One of the needlewomen, a Mrs. Brett, was recommended to the Superintendent of the Lying-in-Hospital for the post of tailor to that Institution and was successful in obtaining that appointment.

The women's earnings amounted to Rs. 1,972-8-8 as against 2,310-14-7 in 1894. This decrease is accounted for by the strict enforcement, during the year, of the Rule that all work must be done on the Workshop premises.

The subscriptions amounted to Rs. 578, one rupee more than in 1894. The usual Christmas Appeal met with a liberal response Rs. 230 being collected as against Rs. 192 in the previous year. In addition to the sum mentioned the Central Charity Committee kindly gave a grant of Rs. 50.

Throughout the year under report the needlewomen received the usual daily allowance of coffee and bread. A free gift of clothing was made to them at Midsummer and again at Christmas when money gifts were also distributed.

The Casual Relief Grant from the Friend-in-Need Society has been allotted monthly to those women most in need of help from sickness or other causes. Marriage, birth, and death gratuities have also been given.

Four old women, who had been pensioned by the Workshop receive their pension from this fund. It has however

been arranged that they shall be taken over by the Parent Society from February next.

During the year the Workshop was so fortunate as to obtain the contracts for the supply of bedding and clothing for the General and Leper Hospitals. Two large orders from the Madura Hospital were satisfactorily completed. A considerable quantity of clothing was made for the Civil Orphan Asylums and orders were also received for liveries for the peons of the Secretariat and the Madras Club and from Messrs. Parry and Co. for warm clothing for the Natal Emigrants.

The recent orders of Government in favour of the more extended use by official institutions of articles manufactured in its Jails has considerably interfered with the work usually done by the Workshops and it is feared that the result will be more severely felt in future. Such work is usually done by what are known as the coarse-workers who are not competent to execute the class of orders generally received from the public.

Mrs. Van Geyzel was obliged to resign the post of Honorary Secretary owing to her departure for England. Mrs. Austin Jackson took the office until August when she had to resign on leaving Madras. Mrs. Douglas Grant was then appointed.

The Committee lost a valuable member when Mrs. Cox left for England. She had held the post of Honorary Treasurer for some years. Colonel Cox resigned the Presidency on his departure and Mr. Michie Smith was elected in his place.

The Committee desires to place on record its appreciation of the services rendered throughout the year by the Superintendent, Mrs. Janes, and her Assistant Mrs. Jervis.

The Committee would take this opportunity of tendering its sincere thanks to the Public for its kind support both in giving orders to the Workshop and subscribing to its funds.

In conclusion the Committee begs to heartily thank Mr. Peebles for having again undertaken the audit of the Workshop accounts.

REPORT

OF THE

FRIEND-IN-NEED SOCIETY'S
ST. THOME BRANCH WORKSHOP FOR 1895.

Committee.

Patroness.—MISS GELL.

MRS. FIRTH.	MRS. WESTCOTT.
MRS. FORMEY.	MRS. WINTERBOTHAM.
MRS. MEREDITH.	MISS MORPHETT.—Hony.
MRS. SHEPHARD.	Secy. and Treasurer.

It having been resolved that the accounts of this Workshop should be shewn under the separate headings of Industrial and Charity Branches they are herewith submitted in this form. Under the former heading it will be seen that the amount realised by sale of work is greater by Rs. 219-11-8 than it was last year, and that the workers received Rs. 131-1-7 more by earnings. This involved a larger outlay for the purchase of materials, the cost being nearly Rs. 100 more than last year. The expenditure for establishment was also increased by Rs. 33 and the Workshop has again paid its own rent. The contingencies including a small outlay for needed repairs are somewhat less than last year. The receipts of the Charity Branch by subscriptions and Government Grant were more by Rs. 8, and the expenditure for rewards, food, clothing and allowances less by Rs. 11 than in 1894. This is due to one of the workers having left.

The Christmas clothing and money for a dinner were distributed to the women and establishment by Mrs. Arun-

del on December 17th and the workers got a percentage on their savings during the year.

The Committee record with deep regret the loss of one of their members and best supporters in the late Mrs. Willie Grant.

Mrs. Shephard kindly gave the workers a tea at Easter, and Mrs. Merriman kindly gave them one at Christmas. They also had a good dinner on October 7th by the liberality of the Eurasian and Anglo-Indian Association.

The Committee are indebted to Mr. Hall again this year for his kindness in auditing the accounts of the Workshop.

Honorary Secretary and Treasurer.

REPORT
OF THE
LADIES' COMMITTEE
FRIEND-IN-NEED SOCIETY'S
BLACK TOWN WOMEN'S WORKSHOP,
FOR 1895.

Committee.

MRS. DOUGLAS GRANT.
MISS IVE.
MRS. SCOTT.
MRS. PELLY.

MRS. RICHARDSON.
MRS. PEEDLES, *Hony. Secy.*
and Treasurer.
MISS WALKER.

REV. W. SCOTT—*President.*

Early in June 1895 the present Honorary Secretary was asked by the General Committee to undertake the Secretary's duties and to form a Committee.

Industrial Branch.—The present Committee therefore, can only report, in the Industrial Branch, on work done since 1st July. The accounts show that on 30th June the nett assets were Rs. 863-14-9 and on 31st December are Rs. 470-2-6.

The average number of women in daily attendance has been 32, and their earnings for those 6 months have been Rs. 317-14-2.

The amount recovered in payment of bills during the same period has been Rs. 1,934-7-2.

Charity Branch.—The subscriptions and donations for the year were Rs. 263-8-0 this with the government grant made a total of Rs. 452, while the expenditure has amounted to Rs. 483. The workers receive a daily meal of curry and rice. In addition the women receive casual relief and Christmas gifts.

A donation of Rs. 15 from the Eurasian and Anglo-Indian Association was divided among the workers on the 7th October.

Casual Relief.—The Committee "is a Local Committee for all women on the Rolls" and, acting for the General Committee, disburses each month, the funds supplied for that purpose. Each woman's case is considered in relation to earnings, diligence and family requirements, and after careful scrutiny the amount is apportioned according to the known needs of each worker.

The grant for 1895 was Rs. 31 per month.

Christmas Charities.—The Christmas subscriptions amounted to Rs. 77 and a grant of Rs. 25 was received from the Central Charity Committee.

The women requested that no treat be given, preferring to receive clothing and money only. Immediately before the distribution, a donation of Rs. 20 was received and a total of Rs. 122 was reached. On 23rd December clothing was distributed and each woman received Rs. 2.

The Committee heartily thanks those who have so liberally supported the workshop by subscriptions during the past year, and would ask a continuance of that help.

It however most earnestly appeals for *work* for the women. It is distressing to see women sitting idle, who are ready and willing to work.

The average amount earned by each woman during the year was only Rs. 1-8 per mensem. The daily meal, and

the distribution of casual relief, have somewhat supplemented these earnings; but the total does not reach Rs. 3 per mensem.

This sum is inadequate to maintain a single woman, and many of the workers are widows with children.

The Committee is confident that these facts only require publicity to ensure constant and sufficient employment for those needlewomen.

Premises.—This workshop is now located in Popham's Broadway, (next to Messrs. Oakes and Co.'s premises). A new Superintendent has been put in charge and the cutting out is done by a competent tailor.

The Committee trusts that these changes will ensure that work will be completed promptly and satisfactorily.

The thanks of the Committee are due to Mr. Woods-Scawen who has kindly audited the accounts.

REPORT
OF THE
SUPPLEMENTARY WORKSHOP,
CHRIST CHURCH SCHOOL ROOM,
MOUNT ROAD.

The Workshop has continued its work during the past year with better success than the previous year. I felt the necessity of dismissing eight of the old hands who were unfit to earn even the small pittance allowed them for the work. They were only an unnecessary expense to the Society, independent of several of them being on the Society's pension list.

In the girls' sewing class most of them have done well, and are now able to earn a fair recompense for neat sewing. The women and girls attend the work class twice a week. My one and great difficulty is to find them work during their attendance. Their clothes are made by themselves when no other work is procurable.

A Christmas dinner was given to twenty-seven women and ten girls.
