MR. MIR SHUJAAT ALI KHAN'S VACANCY.

Transferring to the Provincial Civil Service, as a third-class Deputy Collectorship, the vacancy created by the death of Mr. Mir Shujaat Ali Khan in the grade of Head Assistant Collector, and requesting the Revenue Department to post a Deputy Collector to the charge of the Head Assistant's division in the Tinnevely district and to reduce by one the post in the sixth-class of Deputy Collectors.

6. From the condition "fourthly" in paragraph 2 of Home Department letter, No. 1535, dated 27th May 1892, and from paragraph 4 of your letter of the 10th July last, it would appear that the claims of members of the Provincial Service to posts which may become open to them in a particular year are not to be considered until after those of *all* the Indian Civilians of that year have been considered. Accordingly,

Mr. Davidson having been promoted in September, the Head Assistantship which fell vacant in October should be filled by Mr. W. B. Ayling, the next Indian Civilian, and no appointment of this grade should be transferred to the Provincial Service until the claims of all the Indian Civilians of 1888 to permanent Head Assistantships have been considered.

7. The following passage in paragraph 7 of Mr. Lyall's letter, No. 746, Public, of the 29th May 1893, appears, however, to throw some doubt on this interpretation of the rulings:—

“Suppose, for instance, that after the two District Headships and four Judgeships have been made over to the Provincial Service, all six officers holding those posts go on leave, the Local Government will be able to appoint six other members of the Provincial Service to act in their absence.”

This remark was, it is true, made in connection with another subject, but it appears to have some bearing on the present point, for if the leave vacancy created by a Provincial Service officer can be filled by another officer of the same class, it seems to follow that a permanent vacancy caused by the death of a Statutory Civilian (who for the purposes of the rule is the same as a Provincial Service officer) can likewise be filled by a member of the Provincial Service.

8. I am to request the very early instructions of the Government of India on the question raised above.

(Signed) J. F. PRICE,  
Chief Secretary.

READ—also the following paper:—

From J. P. HEWETT, Esq., C.I.E., Secretary to the Government of India, Home Department (Establishments) to the Chief Secretary to the Government of Madras, dated Calcutta, the 27th January 1896, No. 57.

I am directed to acknowledge the receipt of your letter, No. 15 (Public), dated the 8th instant, in which you enquire whether the post of Head Assistant rendered vacant by the death of Mr. Mir Shujaat Ali Khan, a Statutory Civilian, can at once be given to a member of the Provincial Service or whether the claims of all the members of the Indian Civil Service who arrived in the year 1888 should first be considered.

2. In reply I am to say that, after satisfying the claims of the Indian Civilians who arrived in the year 1887, five listed posts were available for Provincial officers and Statutory Civilians. The death of Mir Shujaat Ali Khan reduces the number of posts occupied by such officers to four, and no claim to the fifth post on the part of Indian Civilians can be based on the fact that Mr. Davidson had previously received his promotion. The fifth post had become available to the Provincial service, the claims of all Indian Civilians whose claims had to be regarded having been considered previously, and there is no necessity in consequence of Mir Shujaat Ali Khan's death to consider those of others. The appointment held by Mir Shujaat Ali Khan should, therefore, be treated in the same way as if he had been a member of the Provincial Service occupying a post already made over to that service; and, as all the Indian Civilians of the year 1887 are already permanent Head Assistants, the vacant Head Assistantship should now be given to a member of the Provincial Service, it being converted into a Deputy Collectorship of the third class, on Rs. 500 a month, in accordance with the orders in paragraph 6 of Home Department Resolution, No. 9-Pub.—1342-1352, dated the 21st April 1892.

ORDER—No. 358, Public, dated 16th March 1896.]

The vacancy created by the death of Mr. Mir Shujaat Ali Khan in the grade of Head Assistant Collector will be transferred to the Provincial Civil Service as a Deputy Collectorship, third class, to the present scale of which class one appointment will be

added. The necessary steps will be taken in the Revenue Department for posting a Deputy Collector to the charge of the Head Assistant's division in the Tinnevely district, the permanent vacancy in which will not be filled by a member of the Indian Civil Service. The appointment thus created in the third class of Deputy Collectors will be filled up in the Revenue Department by promotion in the ordinary course, the posts in the sixth class being reduced by one.

2. The permanent appointment of Head Assistant to the Collector and Magistrate of the district of Tinnevely will be considered to have been held by Mr. W. B. Ayling for the period between the 10th October 1895 and the 2nd November 1895 (inclusive) and by Mr. H. F. W. Gillman for the period between the 3rd November 1895 and 25th November 1895 (inclusive).

My dear Mr. Harrison,

Mr. H.D. Taylor I.C.S.

is at present Manager of the Tayyars Estate. He intends, it is believed, to take furlough when he over his connection with the Estate. Will it be necessary to provide him with a permanent Head Assist, - assistantship before then?

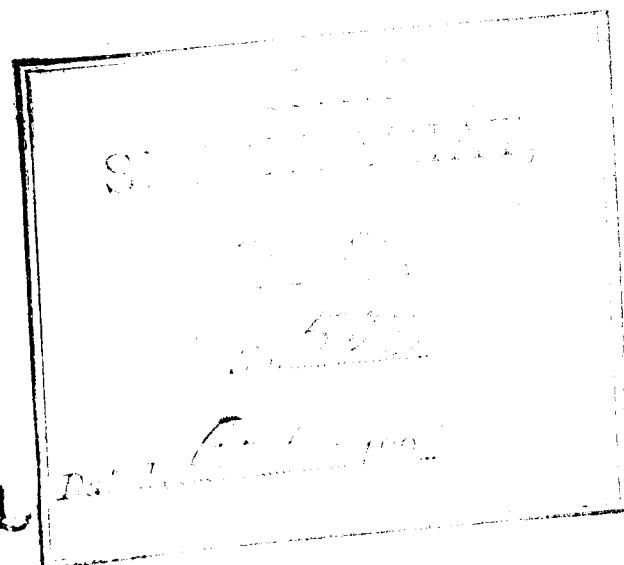

I am not certain whether his leave allowances would be affected over his promotion to a Head Assistantship deferred until after his return from furlough or whether it would be permissible to keep him without a permanent appt. Of course there is no idea of making him lose but if his he need not be found a permanent post ~~at~~ ~~once~~ until his return there seems to be no reason for keeping him out of another office out of his promotion.

An early reply will oblige

Yours sincerely

Sir,

I have the honour to state that I have  
been studying Tamil and Telugu, with the inten-  
tion of taking them up as my 1<sup>st</sup> and 2<sup>nd</sup> lan-  
guages respectively, but that I find great diffi-  
culty in acquiring the necessary fluency in the  
languages in this District, where Tamil is unknown.  
I commenced Tamil while I was in Chittoor, where  
it is commonly spoken and have passed in it  
by the lower standard.

For three reasons at the recent Examination  
Mr. Sturrock advised me to apply through him  
for transfer to a Tamil District. I have  
therefore the honour to request that on the  
occurrence of a vacancy I may be transferred  
to a ~~Tamil~~ District, where Tamil is spoken.

Sir,

I am directed to acknowledge the receipt of your letter No. 15 ( Public ), dated the 8th instant, in which you enquire whether the post of Head Assistant rendered vacant by the death of Mr. Mir Shujaat Ali Khan, a Statutory Civilian, can at once be given to a member of the Provincial Service or whether the claims of all the members of the Indian Civil Service who arrived in the year 1888 should first be considered.

2. In reply I am to say that, after satisfying the claims of the Indian Civilians who arrived in the year 1887, five listed posts were available for Provincial Officers and Statutory Civilians. The death of Mir Shujaat Ali Khan reduces the number of posts occupied by such officers to four, and no claim to the fifth post on the part of Indian Civilians can be based on the fact that Mr. Davidson had previously received his promotion. The fifth post had become available to the Provincial service, the claims of all Indian Civilians whose claims had to be regarded having been considered previously: and there is no necessity in consequence of Mir Shujaat Ali Khan's death to consider those of others. The appointment held by Mir Shujaat Ali Khan should, therefore, be treated in the same way as if he had been a member of the Provincial Service occupying a post already made over to

that service; and, as all the Indian Civilians of the year 1887 are already permanent Head Assistants, the vacant Head Assistantship should now be given to a member of the Provincial Service, it being converted into a Deputy Collectorship of the 3rd Class, on Rs. 500 a month, in accordance with the orders in para. 6 of Home Department Resolution No. <sup>9 Pub.</sup> 1342-1352, dated the 21st April 1892.

The Govt. of India intimates, in reply to letter No. 15 Pub. of 8.1.96, that the vacancy caused by Mr. Mir Shujarat Ali Khan's death should be transferred to the Provincial Civil Service as a Dy. Collectorship, third class. This will necessitate another Head Assistantship being <sup>placed</sup> as a permanent arrangement under the charge of a Deputy Collector. Orders are solicited as to the change to be selected. The Head Assistantship of Tirunelveli might perhaps be given up. In that case a place will have to be found for 109. Mr. A.C. Dutta who might take the place of 128. Mr. S.W.G. I MacIvor who has asked for a transfer to a Tamil District (vide C. No. 364 Pub). Mr. MacIvor might go to Negapatam owing to 136. Mr. N.E. Assistant until required for a leave vacancy in April - there are several of which notice has been given -

The above would involve a good deal of moving about and perhaps the better plan would be to send the Dy. Col. to ~~Head~~ the ~~Mellor~~ Head Assistantships and Mr. MacIver to Negapatam leaving Mr. Dutt undisturbed.

Orders are also solicited whether an arrangement similar to that in para 2 of G.O. No. 1017 Pub. of 16. Dec. 1895 may be carried out on the present occasion - i.e. that Mr. Co. B. Aylmer, the next officer <sup>in the J.C.S. list</sup> for promotion be considered to have held the permanent appt. of Head Assistant from the 9th October 1895 (the date of Mr. Mir Shujaat Ali's death) to the date of the order on these papers.

The question of Mr. Mir Shujaat Ali's vacancy being settled, it will be possible to fill up the other two existing H.O. Asst. vacancies in the J.C.S. list - viz

In connection with the filling of these vacancies the question of the appt. of Sl. Mr. H. D. Taylor, at present Manager of the Teypora estate, arises. Mr. Taylor holds no permanent appt. in the J.C.S. list. He has applied for 8 months' furlough from the 6th April or date of landing over charge of his duties in Teypora [C. No. 432]. If he were appointed an Asst. Col. on relinquishing his present appt. his furlough allowance would not be affected and a H.O. Asst. vacancy could go to a junior who is on duty. Mr. Taylor's position in the list entitles him, however, to a permanent Head Assistantship and it seems doubtful whether his absorption as such into the regular line should be deferred until his return from furlough or shortly before it. The A.G. has been consulted on the point & is not quite certain (vide D.O. 735) whether

of course, the Hon. Mr. Justice  
Parker's vacancy into which Mr.  
Taylor could be absorbed as a

be the best course.

The next officer for a permanent

depends on that of the officer next  
below him in the regular line  
his promotion to a Jt. Asst. which
