From

Off. ACCOUNTANT-GENERAL TO THE

To

THE *Chief Secretary to Government,*
Public Department

SIR,

In forwarding the accompanying bill in which Surgeon Major ^{AJ} O'Hara claims travelling allowance for his journey from Cuddapah to Gooty and back on the 26th and 27th November 1895 to attend upon the late Mr. H. W. Foster. D.C.S., I have the honor to enquire whether Government agrees with my view that this is a charge properly falling on Mr. Foster's estate. It is not clear what the rights of Government officers are when on leave with regard to the free services of a medical officer, but it seems unreasonable that the state should bear the cost of medical attendance when required at a distance. If it were otherwise Government might have to bear cost of a journey to distant and inaccessible

detaken by a medical Officer to attend on an
er, on leave not to speak of the inconvenience
sioned to the public and Government by the
longed absence of their Medical attendant.

I, the honor to be,
Sir,
Your most obedient servant,
J. H. H. H.
Accountant General.

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public

DEPARTMENT.

With reference to your endorse-
ment No 234 Public, dated the 29 January
1896, herewith returned as requested, I have
the honor to state that there appears to be
no ruling on the point in question. I
concur, however, in the views expressed by the
Accountant General and consider that in the
case under reference the claim for travelling
allowance made by Surgeon Major A. J. O'Hare
should be borne by the estate of the late
Mr. Foster if he was on leave at the time.

I have the honor to be,

Sir,

Your most obedient Servant.
