At the request of the Consulting Architect, I have the honour to submit, for the approval and sanction of Government, plans and Estimate amounting to Rs 2604 for constructing quarters for the Hospital Assistant attached to the Civil Jail Madras. The Estimate has, it is understood, been prepared at the instance of the Medical Department, with reference to Home Department Resolution N. 4 medical - 425. 426 dated 19th July 1894 and to G.O. N. 265 Public, dated 14th November 1894. I have approved of the site selected for the building but the plan appears to be a standard one and so does not require countersignature.

to Government

SIR,

With reference to memorandum
st^d 193, Public, dated the 24 January 1896
I have the honor to state that the Hospital
assistant attached to the Civil Jail Madras
also affords medical aid to under-trial
prisoners in the Justice's jail, South
Black Town (commonly called Popnam's
jail). The number of under-trial prisoners
varies much; there are always some but
the number confined during sessions is
usually considerable. It also affords
assistance every morning at the Chronic
and incurable wards of the Monegar
Choultry, where numerous patients suffer-
ing from old Chronic ulcers require
considerable time in the application of
dressings and dying beggars need attention.

2. The average number of prisoners
per mensem confined in the Civil Jail
during

and 1895 was 46.25 and 47.17

The daily average sick for these
26.69 and 25.23 respectively.

In connection with this jail,
Jail Assistant has a good deal of
work in the preparation of 10 copies
of and vaccination Returns monthly,
also to note and record the personal
of all prisoners besides affording
medical aid.

I have the honor to be,

Sir,

Your most obedient Servant,

C. J. D. S. P.

Has the Hosp. kept any other
link to do than to look after the
Civil Jail? What use of Prisoner
within in the Civil Jail?

It seems true that in the coming
arrangement of medical duties in
Black Town it is possible that
this man may be found not to be
required as more required
in some other place.

However, as they are in hurry,
you may perhaps think in the
present state of uncertainty as
to build with the Black Town it
is better not to build.

a plan & estimate for
the construction of quarters
for the Hospital attached
to the Civil Jail, Madras, is submitted
for sanction. They have
been approved by the
S. G. and the J. G. P.

The plan is in accord-
ance with the approved
standard and the estimate
is within the figure
given in G.O. No. 1796 W.
of 19.7.95 (802 Pub. 26.9.95).

In the linked current
