OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 8th February 1896.

No. 93

Encl.

From

SURGEON-MAJOR-GENERAL G. SIBTHORPE, F.R.C.P.J.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE Honorable the Chief Secretary to Government
Public Department.

SIR,

In G.O. No. 232 Public dated the
29th March 1895. I was authorized to entertain
11 temporary Assistant Surgeons to fill the
vacancies caused by the withdrawal of
Warrant Medical Officers for military duty;
and G.O. No. 453 Public dated the 8th June
following sanctioned an additional Assistant
Surgeon for the 2nd District Madras, making
a total of 12 temporary Assistant Surgeons.

2. Under the orders of the Govern-
ment of India, the Principal Medical Officer
Madras Command has now replaced 9
warrant Medical Officers at my disposal
and they are likely to join their civil
appointments during the course of the month.

3. By this arrangement it
becomes necessary for me to take steps
to dispense with the services of an
equal

equal number of temporary men - retaining three until further orders - but I may state that owing to the paucity of applicants at the time I was only able to secure 9 men including two pensioned military apothecaries - so that I have now to send away 6 and retain 3.

4. I may however point out that one of the Warrent Medical Officers in the Civil Department has since been pensioned, and that the authorized reserve in the grade of Civil apothecaries is considerably below strength - thereby causing much inconvenience in the matters of relief and in meeting extra demands for medical aid from Railways, Survey Parties &c.

5. I request permission therefore to retain the seven temporary Civil Assistant Surgeons to meet the exigencies of the service until the question of the permanent war reserve to be maintained in the Civil Department is finally decided by the Government of India.

6. Of the seven men now recommended to be retained two are temporarily employed in charge of

Local

Local Fund Hospitals in the Cuddapah and Kistna Districts - so that only five will draw pay from provincial funds.

7. I request the favor of early orders being passed on this letter.

I have the honor to be,

Sir,

Your most obedient Servant,

Clive

For Orders

Under the sanction
accorded in G.O. N^o. 232 Pub.
d/29.3.95 the Surgeon Genl.
entertained eight temporary
Asst Surgeons towards
filling the eleven vacancies
caused by the withdrawal
of Warrant Medl. Officers
for military duty. Nine
of the latter are now returning
to the Civil Dept. so that
six of the temporary hands
have now ^{to} be discharged.

The Surgeon Genl. also includes
the temporary Asst Surgeon
sanctioned for the 2nd District
in G.O. N^o. 453 Pub d/8.6.95:
but it is submitted that it
would be better to leave
him out of the question
at present altogether.

D. Sibthorpe wishes to
retain the six men whom
he should now dispen-
se with until the question
of the permanent War Reserve
of Warrant medl officers
has been decided.

Two of these are employed by Local Fund Boards. He asks for Early orders.

It is submitted that the information afforded is too meagre to justify sanction being accorded to the retention of all.

Two of the ^{eight} ~~new~~ ~~men~~ ~~will~~ ~~be~~ ~~retained~~ under the sanction ~~accorded~~ in G.O. No. 232 dated 29.3.95; as eleven ~~vacancies~~ ~~and~~ ~~by~~ ~~minor~~ ~~retirements~~ W.M. Os were taken and only nine are being returned. For Office

Y.S.B.

11/2/96

The S.G.'s way of putting things appear rather cloudy. I take it that a matter stands as follows.

There were when G.O. No. 232 dated 29/3/95. created 11 vacancies

G.O. No. 453 dated 8/6/95 sanctioned

another vacant post. Subordinate

There is now a further vacancy

by retirement making of now

only 10 vacancies had returned

13 places which would have to be filled.

The S.G. however got only 9

men to fill the original 11 vacancies

and the appl. sanctioned in G.O.

No. 453. He has therefore to retain

three here. Then there is the

Retention of Temporary Civil Asst. Surgeons

Hon Mr. H. W. Bliss C.P.E.

Subsequent vacancy which makes four and this he can justify claim.

Apparently he must have been using

the two men in S. 2 Service to fill

appl. or which it was not contemplated

when he made the application in which

G.O. No. 232 was passed to use

men of this bank and he must have

left his other vacant Green Appl.

unfilled. This however would make

only 12. Where on earth does he

get the 7th?

He tries to explain. He won't

stand having a thing like this

sent up for orders.

Call upon him for full explanation.

He is too dreadful.

Ref No 367 of 17 Feb 1896.

With ref to his letter

No 93 of the 8th inst the Surgeon
General is requested to
explain fully the
position in which matters
stand.

It would appear that
~~there were~~ when G.O.

No 232 Pubd 29.3.95 ^{was passed there} ~~eleven~~ ^{were} ~~vacancies~~ ^{for which temporary men were needed} G.O. No 453 Pubd 6.6.95

sanctioned the app of another
temp Civil Asst Surgeon
~~who was not made~~ ^{an Officer} and

the retirement ^{of a War: Medl: Offr} referred to in

para 4 of the Surgeon General's letter
causes a further vacancy.

There would thus have been a
total number of 13 vacancies

if no Mil Asst Surgeon had
been returned. ~~It would appear~~

~~therefore that four of the~~
~~nine temporary Mil Asst~~
~~Surgeons should be retained.~~

The Surgeon General ~~should~~

Against these 13 vacancies
the Surgeon General ~~has~~ ^{been} returned.
secured nine men
and nine warrant

returned. He should
therefore in the ordinary
course, subject to sanc-
tion, discharge five of the
nine temporary hands
and the remaining four
would complete ^{the} ~~the~~ ^{est.}
But he desires to retain
also the surplus five men.
He is requested to explain
how the surplus of seven
referred to in his para 5 is arrived at.

It is not usual to employ

No. 165

Encl.

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.J.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE HONOURABLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

With reference to your memorandum No. 367, Public, dated the 17th February 1896, I have the honour to state that the Government is correct in calculating that there were actually 13 vacancies in this Department including that caused by the retirement of a Warrant Medical Officer. Against these 13 vacancies, only 9 temporary men were secured - viz: 7 Civil Assistant Surgeons and 2 pensioned Military Apothecaries.

2. Now that the Military Department has replaced at my disposal 9 Warrant Medical Officers, I should in the ordinary course discharge five of the nine temporary hands and retain four to fill the four vacancies in the establishment, but what I recommended in para 5 of my letter under reference

reference was that instead of 5 only two temporary hands (pensioned Military Apothecaries) may be sent away and the remaining seven who are all temporary Civil Assistant Surgeons retained to meet the requirements of the Department.

3. Since writing the above letter, I have had to place two Warrant Medical Officers at the disposal of the Engineer in Chief, Bezvada Madras Railway, under the orders of the Government of India and this has practically reduced the number of Warrant Medical Officers returned for Civil duty to 7 - thereby increasing our vacancies from 4 to 6.

4. As regards the employment of two of the temporary Civil Assistant Surgeons under Local Boards, I have to explain that as all available Civil Apothecaries were at the time absorbed in relieving the Warrant Medical Officers ordered for military duty, none were available to meet the demands from the Krishna and Cuddapah Boards and the two temporary Civil Assistant Surgeons who had just then been entertained were therefore placed at their disposal to obviate the necessity of the hospitals to which they were posted being closed for want of Apothecaries.

There is still a
vacancy in
the Civil
with 16 more. The
3 are of course
regularly employed.

The two Civil
Assistant Surgeons
have relieved
two Apothecaries.

5. Under the above explanation, I request that the sanction for the discharge of the two pensioned Military Apothecaries and the retention of the seven Civil Assistant Surgeons as applied for in my previous letter may be accorded at an early date.

I have the honor to be,
Sir,

Re. the retention in service of temporary Civil Asst Surgeons entertained last year

Public Currents 57409824

For Orders

Under G.O. N. 232

Pub d/29.3.95 the Surgeon General was authorized to entertain eleven temporary Asst. Surgeons to fill the vacancies caused by the withdrawal of warrant medl. Officers for milly duty.

G.O. N. 453 Pub d/8.6.95

Sanctioned the appointment of another temporary Civil Asst. Surgeon

The subsequent retirement of a warrant medl. officer (vide para 4 of the Surgeon General's letter N. 93 d/8th Feb '96) caused a further vacancy

The total number of vacancies was therefore thirteen, towards filling which Dr. Sibthorpe secured nine temporary men, viz, seven Civil Asst. Surgeons & two pensioned milly Apothecaries

The milly Dept having now replaced nine warrant medl. officers at the disposal of the Surgeon General, he shall in the ordinary course have discharged five of the nine

Suppose that the recommendation at the end hereof that the S. G. shall be allowed to keep only six men, & should discharge the 7th, is based on the supposition that, if this is done, he will have the full sanctioned strength of subordinates of this (i.e. apothecary) class complete. But I have never been able to make out that there was any sanctioned strength of this or of any other class of civil medl. subordinates. I don't see why he should not keep the 7th man, if he can find work for him, permanent or acting, in a sanctioned apt. - Please sanction the six & ask as to the 7th, whether he can find work as above. Yrs, he may keep him

23/3/96

nine temporary men
retaining four.

From para 3 of Current
824, however, it will be seen
that two of the nine Warrent
Medl. Officers recently re-
turned to the Civil dept
have been placed at the
disposal of the Engineer in
Chief, Berwada, Madras
Railway, so that there are
now four plus two or
six vacancies.

Six of the nine temporary
hand shd. therefore now
be retained.

But the Surg. Genl (vide
para 5 of Current 540 and
paras 2 + 5 of Current 824)
requests permission to
keep all the seven Civil
Asst. Surgs: "to meet the
 exigencies of the service
pending the final settle-
ment of the question of the
permanent war reserve
to be maintained in the
Civil dept; and to dis-
-pense only with the two
pensioned Mil
Apothecaries.

In para 6 of Current
540 D. Tibborthpe stated

that

that two "of the seven men
now recommended to be
retained" were employed
in the Cuddapah & Kistna
districts under Local
Boards; so that only
five would draw
pay from provincial
funds.

In para 4 of Current
824 he explains "that as
all available Civil Apoths.
were at the time absorbed
in relieving the Warrent
M.Os. ordered for Mil Inf.
none were available to
meet the demand from the
Kistna & Cuddapah Boards,
& the two temp Civil Asst.
Surges just then entertained
were therefore placed at the
disposal to obviate the necessity
of the hospitals to which
they were posted being
closed".

The Surg. Genl asks
for early orders.

^{Cur.}
^{6.3.96} The two temporary
Mil. apothecaries (pen-
sioners) will be discharged.
This leaves the seven tempo-
rary Civil Asst Surges for
whom there are shown to be
six vacancies. Sub? that
the S. G. may be told that
he may retain six but

in the absence of any
explanation as to what
is wanted for the seventh
month: he discharged.
