GOVERNMENT OF MADRAS. PUBLIC DEPARTMENT.

READ—the following paper:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 6th March 1896, No. 176.

With reference to paragraph 1 of G.O., No. 227, Public, dated the 14th February 1896, regarding the advisability of altering the returns of the State Hospitals in Madras, I consider it advisable and would suggest that the name of the report should be altered to Annual Report on the Medical Institutions in the Presidency Town of Madras.

2. The returns would include the following institutions:—

- (1) Government General Hospital (including Women and Children).
- (2) Government Maternity Hospital.
- (3) Government Ophthalmic Hospital.
- (4) Government Leper Hospital.
- (5) Government Voluntary Venereal Hospital.
- (6) Victoria Caste and Gosha Hospital.
- (7) Royapettah Hospital.
- (8) Saint Thomé Dispensary.
- (9) Military Female Orphan Asylum.
- (10) Civil Orphan Asylum.
- (11) Port and Marine Dispensary.
- (12) Ramasawmy Lying-in Hospital.
- (13) Native Infirmary.
- (14) North Black Town Dispensary.

3. If Government approves of these suggestions, I would solicit early orders so that they may all be included in the report for 1895, now under preparation.

4. On receipt of the suggestions of the medical officers concerned with the out-patient departments in Madras, I will submit a report on the means of improving them.

ORDER—No. 422, Public, dated 27th March 1896.

The Surgeon-General's suggestions are approved. But the institutions numbered (9) and (10) in paragraph 2 of his letter read above, being merely hospitals for the exclusive use of the inmates of the asylums concerned, should be omitted from the report and from the returns of civil hospitals and dispensaries.

2. The special report regarding the out-patient departments should be expedited.

My dear Sir

with reference
to your No. 176 of the 6th
instant will you
kindly mention your
reasons for wi-
-thdrawing Nos (9) &
(10) - If it is because they

were embodied in
the report returns of
Civil Hospitals & Dispensaries
for 1894 please say why
they were introduced

~~Please say~~
~~also whether the~~
use of the dispensaries
in question is con-
-fined to the inmates
of the Asylums they should
~~or not~~ apparently
not be taken into
account but I have an
idea that at any rate
in one case the dispen-

public. An early
reply will oblige

FOR ORDERS.

In L.O. N^o. 227, Pub. d/14-2-92
the Surgeon General's attention was
particularly invited to India's request
that this Govt would consider the
advisability of altering the hospital
returns for the presidency ^{town} as
suggested by D. Cleghorn in para
43 of his note. He was also
requested to submit a special
report on the subject of the
improvement of the out-patient
depts of the hospitals in Madras.

In reply, the Surgeon General sug-
gests altering the name of the
report to the "Annual Report on the
Medl. Institutions in the Presy
town of Madras"

The institutions to be inclu-
ded in the report are given in para
2 of the current. They are
fourteen in number and

From Report on the
State Hospls at the
Presy town.

the Surgeon General ask for early orders in order to include them in the report for 1895 which is "now under preparation"

The separate report on the improvement of the out-patient depts in Madras will, D. S. Thorpe states, be submitted on receipt of the suggestions of the medl officers concerned.

The fourteen institutions enumerated in para 2 of the current are the six State Hospitals and the nine Civil Hospls: & Dispensaries, the L.C.'s Hospl: having been incorporated with the Genl: Hospl: - Attention is invited to G.O. Nos 775 & 776 Pub d/ 10-9-91 & the correspondence therein recorded.

It is submitted that it would be well to adopt the S. G.'s suggestion if only to assimilate the procedure with that obtaining in Calcutta Bombay. The new form wd also be very convenient as showing the whole medical relief arrangements at the very glance in one view.
