To

THE HONOURABLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT.

SIR,

With reference to G. O. No. 470 L. Miss. dated the *4th* March 1893 I addressed the President District Board, Mellore with a view to enquire when he will be able to carry out the orders of Government regarding the employment of Government Hospital Assistants.

2. In reply that officer informs me that the orders of Government will be given effect to as vacancies occur - but suggests that if some of the 8 reserve Hospital Assistants who have applied to join the Government service be so entertained, there will be openings for Government men in the District.

3. The employment in local service of men trained in Local Fund Schools is most disadvantageous as they are not available for the requirements of the Department when emergencies arise. With this

In G.O. N^o. 470 L d/4.3.93 Govt
Sanctioned the Entertainment by the
Board, Madras, of a total staff of 33

Expressed a desire that, as the term
of their agreements expired, the Bd

extent of at least one third of

view I would recommend that the 8 Hospital
Assistants referred to above and any others
who may be willing to join Government service
may be entertained as Government Hospital
Assistants so as to increase the strength of
provincial reserve and lent for employment
under Local Boards and Municipalities.

4. I consider that the tendency to employ
private and locally trained Hospital Assist-
ants by Local Bodies should whenever possible
be minimised in view of provincial require-
ments and the State responsibilities.

I have the honor to be,
