General McLeod,

B. C. A. Pondicherry, applies
for six months' leave
on private affairs from
the 22nd April next and
recommends that his son
be appointed to act during
his absence.

It would appear from
Lord Salisbury's letter
printed at page 4 offp.
N^o 728 Pubd/2nd Sept 95
that Genl McLeod is now
serving under the Consular
Instructions 1893 vide
the blue book put up.

Under para 1 chap 7
thereof he should apparently
apply for his leave direct
to the Secretary of State for
Foreign Affairs.

It will be seen from the
correspondence printed
in the f.o. quoted ^{above} that the
Secretary of State for India
called attention to the
necessity for avoiding

frequency

But please see letter to India

instructions in Chap. VII
might be revised - No reply
has yet been received.

As regards the appt. of our officer

certainly say ~~that~~ ^{that} I
recall & have heard of the young
man, that his son should best

w'd be to ask H.E. Genl. Clarke if
he can recommend any military

appear to be essential.

He has not yet succeeded and now asks
for leave for six months in Bachelors
bay which Provincial has^{td} to meet.

The full salary ~~of~~ of Genl. McLeish +
the \$2,300 paid to him as Immigration Agent
has been provided in the Budget for
the coming year.

As far as the Govt. is concerned there is
no objection to it allowing him to go. He
is under : he is not a salaried Officer but
becomes only an allowance.

His leave as Consul Agent he must obtain
apparently from the Foreign Office. The Post
has nothing to do with it.

As regard a license license for land

would have to the D.D. appoint. and
should have logs through the land is

he has tried different things - in the
Irish Army, the Cavalry, and
the Infantry and other things and
he is apparently now out of a job
and living on his father's money.
He is now the Col. of S. and may
probably know something about him

FOR ORDERS.

I don't see any objection to
Genl MacLeod taking 4 months
leave as he proposes and returning
to the Consular agency on return -
The pay of the Consular agency
is a "local allow" I think, &
would therefore be forfeited during
leave & available for locum tenens.
Just, the draft telegram on the
back of C. 1109 would be in-
correct as only half of the pay
to be available.

Handwritten notes and signatures, including "1/4/96" and "R. S. H."

General H. McLeod, British Con-
sular Agent at Pondicherry, recently
applied for ~~some~~ ^{six} months' furlough, but
intimated privately that if it involved
his reversion to the Military dept: he
would cancel his application. On being
informed that he would have to revert,
he enquires whether if he takes his pen-
sion he can obtain four months leave
and rejoin the appointment of Consular
Agent on return. The question of the
grant of leave has already been dealt
with in the notes ~~for when he takes~~ ^{for when he takes} ~~the papers~~ and it
is for the Govt. now to say whether it
is willing to ~~allow~~ ^{allow} General McLeod the
four months leave and to rejoin his ap-
pointment on return. The D.O. of the
4th November to which General McLeod re-
fers is in the file.

The reply to the telegram
from the Lieut: General Commanding the
Forces, C. No. 1109, has been withheld
pending General McLeod's reply; but as
he still desires to proceed on some

leave

leave though he takes his pension, it is submitted that the draft telegram on the back of C. No. 1109 may be despatched.

30B. Govt. can I take it that he has been
31. 3. 96 he does leave as
Immigration Agent - A. Consul
Agent he apparently must obtain
leave from the authorities at
home.
